Reader's Digest You and the Law

A Practical Family Guide to Canadian Law

My Canadian Family *FriesenPress*

Canadian families come from all over the world. Learn about some of the cultures and languages that make being Canadian so great. Talk to the children in your life about your family, and add your family's story to this unique book.

Guide to the Basics of Ontario Family Law, 4th Edition

For ten years, and through four editions, people have relied on the best selling Guide to the Basics of Ontario Family Law for straightforward advice on important decisions. Whether you are getting married, separating, divorcing, changing a family law agreement or court order, or involved with a children's aid society, knowing how the Ontario Family Law System works and how to avoid some of its dangers really helps. The expanded and updated fourth edition of the Guide to the Basics of Ontario Family Law, Certified Specialist in Family Law, John Schuman, provides clear explanations about the important family law issues that people face every day. A reference for anyone who needs to understand Ontario family law, the Guide to the Basics of Ontario Family Law helps answer questions, clarify the issues, and lessen the stress that is often associated with family law matters. Almost 600 citations show the laws and court decisions that judges, and lawyers used everyday in Family Law. John Schuman presents the basics of Ontario family law from start to finish. He reviews

marriage contracts and cohabitation agreements: what they are, why you need one, and how to do them properly. He also explains what happens when couples separate, including information on getting divorced, custody, access, parenting concerns, child and spousal support and division of assets and debts. John Schuman explains all options - from negotiation to mediation to collaborative practice, to the government child support calculation service to going to court - and what to expect with each one. He even explains what to do when a Children's Aid Society calls and what to do at each step in to court.

In Search of Your Canadian Roots

Tracing Your Family Tree in Canada *Baltimore, MD : Genealogical Pub.*

Surviving Your Divorce 5th Edition

A Guide to Canadian Family Law *Harper Collins*

Divorce is tough. It's hard to understand and deal with the legal and financial consequences of a break-up during an emotionally charged time. Many questions plague those going through a divorce or relationship breakdown: Am I eligible for spousal support? Will I get custody of my children? How can I find and hire a good lawyer? Are there alternatives to a lengthy and messy court battle? How will divorce affect my tax situation and personal finances? *Surviving Your Divorce* is written in non-legal language. This easy-to-read guide offers clear and candid advice on the entire process. Covers every aspect of relationship breakdown, divorce, and separation; emotional stages of marriage breakdown, child custody, property division, support, domestic violence, rights of common-law spouses, wills, what to tell the children and more.

Expert Solutions to Help You Make the Best Decisions for Your Loved Ones *John Wiley and Sons*

Canadian Immunization Guide

The seventh edition of the Canadian Immunization Guide was developed by the National Advisory Committee on Immunization (NACI), with the support of the Immunization and Respiratory Infections Division, Public Health Agency of Canada, to provide updated information and recommendations on the use of vaccines in Canada. The Public Health Agency of Canada conducted a survey in 2004, which confirmed that the Canadian Immunization Guide is a very useful and reliable resource of information on immunization.

Basic Awareness, K-6

Teacher's Guide

A Beginner's Guide to Snowshoeing in the Canadian Rockies *Rocky Mountain Books Ltd*

Following the success of his first snowshoeing guide, *Snowshoeing in the Canadian Rockies* (RMB, 2011), Andrew Nugara has now written the ultimate guide for those finding themselves on snowshoes for the first time. *A Beginner's Guide to Snowshoeing in the Canadian Rockies* describes over 40 great routes for new snowshoers. The trips extend from scenic Waterton in the far south to the breathtaking Columbia Icefield in the north section of Banff National Park. Stunning colour photos, maps and detailed route descriptions are provided for each trip, as well as level of difficulty, objective hazards and additional equipment requirements. Whether you are looking for an easy, introductory day on flat terrain amid beautiful surroundings or something slightly more challenging, you will find it in this new guidebook.

Surviving Your Parents' Divorce

A Guide for Young Canadians *Wiley*

Divorce and separation are hard for couples, but they're even harder on the children involved. Many kids are in emotional turmoil, uncertain about the future, and blame themselves for the break-up, even though it's not their fault. *Surviving Your Parents' Divorce* fills the information gap, helping children to grasp and cope with the forces at work in a separation.

A Hoser's Guide to Canadian History

A Really Good Attempt to Explain How We Got Here

The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be honest,

you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. *"A Hoser's Guide to Canadian History"* is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

The Rough Guide to Canada *Rough Guides UK*

The Rough Guide to Canada is the ultimate travel guide to this staggeringly beautiful country with detailed coverage of all the top attractions. Inspired by stunning photography and insightful background information, discover both the urban and the wild with expert guidance on exploring everything from the glistening skyscrapers of Toronto, the restaurants of Montreal and the laid-back ambience of Vancouver, to the spectacular Niagara falls and the rolling plains of the Prairies. Today's Canadian Families Gr. 2-3 *On The Mark Press*

Tintinalli's Emergency Medicine Manual, Eighth Edition *McGraw-Hill Education / Medical*

The full spectrum of emergency medicine captured in one full-color pocket manual Written by clinicians engaged in the day-to-day practice of emergency medicine, this handy manual is derived from Tintinalli's Emergency Medicine, Eighth Edition, the field's most trusted text. Packing a remarkable amount of information in such a compact presentation, this trusted point-of-care partner is composed of brief chapters focusing on clinical features, diagnosis and differential, and emergency management and disposition. With its unmatched authority and easy-to-use organization, Tintinalli's Emergency Medicine Manual, is the surest, most convenient way to assure skillful and timely patient care in the acute care setting. • Rich full-color design with an increased number of photos and line drawings • Numerous tables, making information easy to access • Completely revised content to match current practice • Covers both adult and pediatric populations

SOAP for Family Medicine *Lippincott Williams & Wilkins*

Offering step-by-step guidance on how to properly document patient care, this updated Second Edition presents 90 of the most common clinical problems encountered on the wards and clinics in an easy-to-read, two-page layout using the familiar "SOAP" note format. Emphasizing the patient's clinical problem, not the diagnosis, this pocket-sized quick reference teaches both clinical reasoning and documentation skills and is ideal for use by medical students, Pas, and NPs during the Family Medicine rotation.

Canadian Cheese

A Guide *Firefly Books Limited*

Looks at baby animals, including a sea turtle, sea lion, dolphin, and otter, that live in the water.
