Written by a clinical psychologist who has been treating distressed couples for 22 years, it guides both hurt and unfaithful partners through the three stages of healing: Normalizing feelings, deciding whether to recommit and revitalizing the relationship.

After the Affair: Healing the Pain and Rebuilding Trust ...

Healing after an affair is a process that occurs in stages. It is surely not a quick, instantaneous, or an easy process. If you discovered that your partner was having an affair, you probably realize this already. And you're probably bouncing between denial, inexpressible anger, a mostly expressible (and often expressed) anger, and indescribable sadness.
