How to Live Like a Monk: Medieval Wisdom for Modern Life *WW Norton*

How medieval monastic practices—with their emphasis on a healthy soul, mind, and body—can inspire us to live fuller lives today. We know that they prayed, sang, and wore

long robes, but what was it really like to be a monk? Though monastic living may seem unimaginable to us moderns, it has relevance for today. This book illuminates the day-to-day of medieval European monasticism, showing how you can apply the principles of monastic living, like finding balance and peace, to your life. With wit and insight, medievalist and podcaster Daniele Cybulskie dives into the history of monasticism in each chapter and then reveals applications for today, such as the benefits of healthy eating, streamlining routines, gardening, and helping others. She shares how monks authentically embraced their spiritual calling, and were also down to

earth: they wrote complaints about being cold in the manuscripts they copied, made beer and wine, and even kept bees. How to Live Like a Monk features original illustrations by Anna Lobanova, as well as more than eighty color reproductions from medieval manuscripts. It is for anyone interested in the Middle Ages and those seeking inspiration for how to live a full life, even when we're confined to the cloister of our homes.

I Live a Life Like Yours

A Memoir *FSG Originals*

"A quietly brilliant book that warms slowly in the hands." —Dwight Garner, *The New York Times* I am not talking

about surviving. I am not talking about becoming human, but about how I came to realize that I had always already been human. I am writing about all that I wanted to have, and how I got it. I am writing about what it cost, and how I was able to afford it. Jan Grue was diagnosed with spinal muscular atrophy at the age of three. Shifting between specific periods of his life—his youth with his parents and sister in Norway; his years of study in Berkeley, St. Petersburg, and Amsterdam; and his current life as a professor, husband, and father—he intersperses these histories with elegant, astonishingly wise reflections on the world, social structures, disability, loss, relationships, and the body: in short, on what it means to be human. Along the way, Grue moves effortlessly between his own story and those of others, incorporating reflections on philosophy, film, art, and the work of writers from Joan Didion to Michael Foucault. He revives the cold, clinical language of his childhood, drawing from a stack of medical records that first forced the boy who thought of himself as “just Jan” to perceive that his body, and therefore his self, was defined by its defects. *I Live a Life Like Yours* is a love story. It is rich with loss, sorrow, and joy, and with the details of one life: a girlfriend pushing Grue through

the airport and forgetting him next to the baggage claim; schoolmates forming a chain behind his wheelchair on the ice one winter day; his parents writing desperate letters in search of proper treatment for their son; his own young son climbing into his lap as he sits in his wheelchair, only to leap down and run away too quickly to catch. It is a story about accepting one's own body and limitations, and learning to love life as it is while remaining open to hope and discovery.

How to Think Like a Cat *HarperCollins*

Do cats worry about retirement? Nope. Do cats do things they don't want to do?

Definitely not. Do cats rush around at all hours of the day when they'd rather be licking their paws and looking out a window? Please. Calm, free, charismatic, wise, elegant, self-assured—our beloved feline pets strut those traits that we humans spend a lifetime aspiring to. No wonder everybody wants to be more like a cat. After observing his own cat, Ziggy, for years, bestselling French author Stéphane Garnier decided that he would be much happier if he could just live more like Ziggy. Closer study only confirmed his suspicion that cats have that *je ne sais quoi*, and he set out to share Ziggy's innate wisdom with the world. Whether at work, at

home, or in your social life, your cat can teach you how to manage stress, cultivate independence, and live life on your terms. Peppered with humorous yet inspiring tips for living a day in the life of a cat, cat secrets from Ziggy, and a quiz to assess your “cat quotient,” *How to Think Like a Cat* is an inspiring, humorous, and remarkably insightful guide to the subtle art of living like a feline.

Live Like Sean

Important Life Lessons from My Special-Needs Son

Greenleaf Book Group

When my son Sean was born with special needs, his mother and I were told he would never be “normal” and we mourned for the life we had imagined for him. We thought we would have to be his teacher and protector, more so than the typical child. However, we quickly learned that lessons can come from the most unlikely places and that our world would be changed for the better in ways we could have never envisioned. . . all because of Sean. Before he died on Father’s Day 2019, Sean taught me

valuable life lessons that only became more pronounced upon his passing. He taught me how to build strong, authentic relationships. He taught me how to live in the moment. He taught me how to feel gratitude. Mostly, he taught me how to live like Sean, and these lessons are his legacy.

Live Like a Vulcan, Love Like a Wookiee, Laugh Like a Hobbit

**Life Lessons from
Pop Culture** *BenBella
Books*

Much like a dragon-guarded mountain filled with stolen dwarf gold, Pop Culture is far more than just a side quest or afternoon's entertainment: it contains a veritable treasure trove overflowing with life lessons. If there's one takeaway from more than 40 years of Scooby-Doo mysteries, it's that the vast majority of life's villains are old white men using literal scare tactics to hold on to whatever privilege they have; Stranger Things taught us that any group of bike-riding kids are either running from or toward a vast governmental conspiracy; The Wizard of Oz proved that fashion can only take

you so far; The Lord of the Rings showed us not only about the power of statement jewelry but that gifts come with strings attached; and Jaws was evidence that no matter how prepared you think you are, you should always expect the unexpected. This modern-day fable takes the best elements of My Dinner With Andre, The Big Bang Theory, and How to Make Friends and Influence People, to tell the story of three cosplaying friends sharing what they have learned from their favorite (and hated) movies, series, and games in a cafe after a day of walking the halls of a convention center. Live Like a Vulcan, Love Like a Wookiee, Laugh Like a Hobbit invites readers to a

never-before-seen and slightly skewed look at the most memorable moments in films, shows, books, comic books, graphic novels, and video games. By the end of this pop-culture tour, fans of all ages will be given more inside knowledge than could ever be gotten at a comic convention, more self-help tools than can fit into any utility belt, more treasures than can be found in a cave of wonders, and more smiles than can be seen on any joker's face.

Think Like a Monk

Train Your Mind for Peace and Purpose Every Day *Simon & Schuster*

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone

can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love - How to use your fear - Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a

monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since

then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his

own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Live Like Paul

Grief after the passing of a loved one is difficult, but the grief after losing a child is incomprehensible. There are no words or sentiments to describe the unending heartache. **LIVE LIKE PAUL** is not only the journey of a mother after losing her dear son Paul, but it's an observation and commentary by the author on all that she learned in the process of trying to heal her broken heart. Readers will laugh and cry throughout as the

author admits she did while writing the book. Be prepared for lots of controversial topics, transparency, thought provoking topics and lots of photos! It becomes quite clear that Paul was an exceptional human being, well known for his kindness, affecting everyone he came in contact with, as shown in the testimonial section of the book. These were just a few of the hundreds that were sent to author Adrienne Falzon. After reading this book, one walks away with the realization and underscoring that the kindness of even just one person goes a very long way and can positively effect the like of many.

Like Life Vintage

In *Like Life's* eight

exquisite stories, Lorrie Moore's characters stumble through their daily existence. These men and women, unsettled and adrift and often frightened, can't quite understand how they arrived at their present situations. Harry has been reworking a play for years in his apartment near Times Square in New York. Jane is biding her time at a cheese shop in a Midwest mall. Dennis, unhappily divorced, buries himself in self-help books about healthful food and healthy relationships. One prefers to speak on the phone rather than face his friends, another lets the answering machine do all the talking. But whether rejected, afraid to commit, bored, disillusioned or

just misunderstood, even the most hard-bitten are not without some abiding trust in love.

You Don't Have to Live Like This

A Novel *HarperCollins*

A frighteningly prescient novel of today's America—one man's story of a racially charged real estate experiment in Detroit, Michigan. "You get in the habit of living a certain kind of life, you keep going in a certain direction, but most of the pressure on you is just momentum. As soon as you stop the momentum goes away. It's easier than people think to walk out on things, I mean things like cities, leases, relationships and jobs." Greg Marnier, Marny to

his friends, leaves a job he doesn't much like and moves to Detroit, Michigan in 2009, where an old friend has a big idea about real estate and the revitalization of a once great American city. Once there, he gets involved in a fist-fight between two of his friends, a racially charged trial, an act of vigilante justice, a love affair with a local high school teacher, and a game of three-on-three basketball with the President—not to mention the money-soaked real estate project itself, cut out of 600 acres of emaciated Detroit. Marny's billionaire buddy from Yale, Robert James, calls his project "the Groupon model for gentrification," others call it "New Jamestown," and

Marny calls it home—until Robert James asks him to leave. This is the story of what went wrong. *You Don't Have to Live Like This* is the breakout novel from the "fabulously real" (Guardian) voice of the only American included in Granta's Best of Young British Novelists. Using the framework of our present reality, Benjamin Markovits blurs the line between the fictional and the fact-based, and captures an invisible current threaded throughout American politics, economics, and society that is waiting to explode.

Bella Figura

How to Live, Love, and Eat the Italian Way *Vintage*

"My ideal type of armchair travel: immersive, insightful, seductive. In *Bella Figura*, Kamin Mohammadi takes us

to the year in Florence that changed her life, and gives us the tools to bring the grace of the Italian lifestyle to our own lives.” —National Bestselling Author Stephanie Danler “She walks down the street with a swing in her step and a lift to her head. She radiates allure as if followed by a personal spotlight. She may be tall or short, slim or pneumatically curvaceous, dressed discreetly or ostentatiously—it matters not. Her gait, her composure, the very tilt of her head is an ode to grace and self-possession that makes her beautiful whatever her actual features reveal.” This is the *bella figura*, the Italian concept of making every aspect of life as beautiful as it

can be, that Kamin Mohammadi discovered when she escaped the London corporate media world for a year in Italy. Following the lead of her new neighbors, she soon found a happier, healthier, and more beautiful way of living. The *bella figura* knows:

- That the food that you eat should give you pleasure while eating it. Pause for meals, and set a place, even if you are eating alone.
- To seize any opportunity to get moving—be it taking the stairs, doing a coffee run at work, or dancing with abandon.
- To drink a spoonful of excellent-quality extra-virgin olive oil four times a day.
- To seek out nature, be it a city park, a tree on your street, or some wild place.
- And to love

yourself. The bella figura—occupies her space, emotionally and physically, with style and entitlement.

Live Like You Mean It *Hachette UK*

This energetic and engaging call to live life to the full offers you the chance to rethink what matters to you and why, and to do something about it. Too often we drift through life, going with the flow or being tossed by currents beyond our control, and failing to realise that if we would only fight for the life God meant us for life would be so much more fulfilling. Eric Delve, the well-known evangelist and organiser of the Detling Festival, here sets out a strong argument for intentional living, the need to engage positively with the choices that face us and the rewards it will bring if we do so. Along

the way he challenges us to face up to who we really are, jettisoning pretence or fantasy, and to accept our humanity in its weakness and its high potential. Then he urges us to understand what God's purpose is for us and to let him guide us into the full life he wants for us - including standing firm through difficult times. Finally he issues a challenge to us all, to escape from the modern curse of individualism and accept the need - and wonderful opportunity - to pass on all we've learnt in life to colleagues, friends and families - because they're worth it, too.

Great Leaders Live Like Drug Addicts

How to Lead Like

Your Life Depends on It *Simon and Schuster*

What if you learned that to lead well, you'd need to live like a drug addict? During treatment for drug addiction, Michael Brody-Waite learned three principles that became the difference between life and death: Practice rigorous authenticity Surrender the outcome Do uncomfortable work Leaving rehab, Michael entered the workplace where he was shocked to see most business leaders doing what he had been taught would kill him. He began to see striking similarities between drug addiction and what he calls "mask addiction." Leaders everywhere were hiding their authentic selves in order to get what they

wanted. They were doing things like: Saying yes when they could say no Hiding their weaknesses Avoiding difficult conversations Holding back their unique perspectives Instead of chasing drugs, leaders were chasing professional, financial, and social success from behind a mask—to the detriment of themselves and the people around them. Thanks to his recovery, Michael's three principles gave him an unlikely competitive advantage throughout his career, resulting in a level of success unexpected for a "drug addict." In *Great Leaders Live Like Drug Addicts*, Michael explains what drug addicts do to recover and provides a step-by-

step program you can use to break free from your mask addiction to thrive in both work and life. He equips you with the tools you need to live and lead mask-free—tools to enable you to stop following others, lead yourself, and become one of the dynamic, growing, authentic leaders this world desperately needs.

A Way of Life, Like

Any Other

A Novel *Open Road Media*

This PEN/Hemingway Award winner about coming of age in Los Angeles is a "little gem of a novel . . . a masterwork of Hollywood fiction" (Salon). He's a child of 1940s

Hollywood—specifically, Casa Fiesta, a ranch in the Malibu hills that he shares with his mother, a onetime Broadway headliner, and his father, a star of Westerns. But when his parents fall out of favor in Tinseltown, the narrator of this exquisitely crafted dark comedy loses his youthful idyll and accompanies his lovesick mother on a vodka-soaked international quest for romance and

redemption. Meanwhile, his father lives in “diminished circumstances” in California, clinging to his silver-screen mementos, trusting that, someday soon, his ex-wife and his career will return. Tired of tending bar at his mother’s parties and listening to his father’s sad tales of former glory, the boy moves in with his best friend’s family in Beverly Hills. But nothing in La-La Land is quite what it seems, and when his new home turns out to be just as dysfunctional as the last, our teenage hero must somehow learn to accept his parents while finding the courage to break free and become his own man. This award-winning novel, “a kind of *Catcher in the Rye*

for the Cheap Trick generation” (GQ), was cited by the Guardian as one of the “ten best neglected literary masterpieces.” Written by a New York Times bestselling author who was a child of Hollywood movie stars himself, it has been praised for its “spectacularly deadpan humor” by the Atlantic Monthly and called “an insightful coming-of-age tale” by the Austin Chronicle.
