Just Mercy

A Story of Justice and Redemption

"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinksmanship - and transformed his understanding of mercy and justice forever."--Back cover.

Just Mercy (Movie Tie-In Edition, Adapted for Young Adults)

A True Story of the Fight for Justice Ember

The young adult adaptation of the acclaimed, #1 New York Times bestseller Just Mercy--soon to be a major motion picture starring Michael B. Jordan, Jaime Foxx, and Brie Larson and now the subject of an HBO documentary feature! In this very personal work--adapted from the original #1 bestseller, which the New York Times calls "as compelling as To Kill a Mockingbird, and in some ways more so"--acclaimed lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom. Stevenson's story is one of working to protect basic human rights for the most vulnerable people in American society--the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice. Proceeds of this book will go to charity to help in Stevenson's important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U.S. justice system. Ginzburg compiles vivid newspaper accounts from 1886 to 1960 to provide insight and understanding of the history of racial violence.

Now a Major Motion Picture Sourcebooks, Inc.

Fandom and first love collide in in this joyful, feminist contemporary romance from acclaimed author Cori McCarthy—perfect for fans of Rainbow Rowell and Ashley Poston Iris Thorne wants to blaze her own path. That's easier said than done when you're the granddaughter of M. E. Thorne, famous author of the Elementia series, hailed as the feminist response to J. R. R. Tolkien's Lord of the Rings. And with a major motion picture adaptation of her grandmother's books in the works, Iris can say goodbye to her dream of making her own way in the music industry. When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. And brushing shoulders with the hot, young cast isn't awful, especially the infuriatingly charming lead actor, Eamon O'Brien. Iris even finds the impassioned female director inspiring. But when the filming falls into jeopardy, everything Iris thought she knew about Elementia—and herself—is in question. Will making a film for the big screen help Iris to see the big picture?

Just Mercy

by Bryan Stevenson | Summary & Analysis Instaread

Just Mercy by Bryan Stevenson | Summary & Analysis Preview: Just Mercy: A Story of Justice and Redemption is a legal memoir by Bryan Stevenson. It is set in the 1980s and early 1990s and follows Stevenson's legal career as an advocate for Alabama prisoners who have been condemned to death, especially prisoners who have been wrongly condemned and unjustly treated by the legal system. Stevenson focuses on the case of Walter McMillian, a black man who was falsely convicted of the murder of Ronda Morrison and placed on death row. Through an investigation and painstaking appeals process, Stevenson ultimately succeeds in exposing the testimony against McMillian as false, wrongly obtained through police coercion and perjury. As a result, McMillan’s sentence is overturned and he is cleared of all charges... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Summary of Just Mercy

By Bryan Stevenson - Includes Analysis on Just Mercy Createspace Independent Publishing Platform

Warning This is an independent addition to Just Mercy, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. This review of Just Mercy: A Story of Justice and Redemption, by Bryan Stevenson, provides a chapter by chapter detailed summary followed by an analysis and critique of the strengths and weaknesses of the book. The main theme explored in the book is the injustice of our criminal justice system. The author uses the case of Walter McMillian's wrongful conviction of murder and imprisonment as an overarching example of how the U.S. justice system does not prosecute fairly. The author focuses on how race, socioeconomic status, and even age have an effect on how certain criminals are convicted. Stevenson uses his personal experience as a lawyer for the Equal Justice Initiative and more than 25 years fighting for the rights of people who could not afford legal counsel as a basis for this novel. Through his own experiences, the author makes the case that it is often the people on the fringe of society who need proper justice and mercy, and yet, they are the ones who are least likely to receive it. By sharing his own case work, the author demonstrates how unjust death penalty convictions have been over the past fifty years and how hard it is to truly make change in the system. The central thesis of the work is that we are more than the worst things we have done. Yet, we live in a country that will, on the basis of one poor choice or decision, condemn a person to life in prison, or worse, death. Even further, law enforcement often targets those who have neither the money nor education to fight back, and this has had a direct correlation to the rise in mass incarceration over the past century. The author's purpose is to shine a light on this and bring about the kind of change that uses mercy as its own form of justice. Bryan Stevenson is a lawyer, social justice activist, and the founder of the Equal Justice Initiative. He attended Eastern University and graduated in 1981. After that he attended Harvard Law School where he found his career calling by working for the Southern Center for Human Rights. He has since traveled the country, working for EJI, and speaking about the politics and social injustice of the prison system and death penalty. Available on PC, Mac, iphone, android, tablet or Kindle device. (c) 2016 All Rights Reserved

Kingdom Race Theology

God's Answer to Our Racial Crisis *Moody Publishers*

The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as systemic racism, white privilege, and Critical Race Theory, all framed by the slogan “black lives matter.” The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church. Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God’s Word as the solution. Kingdom Race Theology helps people and churches commit to restitution, reconciliation, and responsibility. His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible solutions in the form of individual and collective action plans. Christians can work together across racial lines to repair the damage done by a long history of racial injustice.

Summary: Bryan Stevenson's Just Mercy: A Story of Justice and Redemption (Discussion Prompts) *Blurb*

Bryan Stevenson's Just Mercy was named as one of the Best Books of the Year by The Washington Post, The New York Times, The Seattle Times, Esquire, Time and The Boston Globe. Author Bryan Stevenson was then a young lawyer when he first founded the Equal Justice Initiative. This is a legal practice dedicated to defending those who are most desperate and are in need: the wrongly condemned, the poor, and women and children who are trapped in the farthest reaches of America's criminal justice system. One of the first cases he handled was that of Walter McMillian. McMillian was a young man who was wrongly sentenced to die for a notorious murder that he insisted he did not commit. This case drew Stevenson into a tangle of political machination, legal brinksmanship, and conspiracy. This transformed his understanding of justice and mercy forever. Just Mercy is an unforgettable account of the once idealistic and gifted young lawyer's coming of age. It is a moving window into the lives of the people he has defended, and the inspiring argument for true mercy and compassion in the pursuit of true justice. Just Mercy - Summarized for Busy People: Based On the Book By Bryan Stevenson *Lulu Press, Inc*

Bryan Stevenson, a young lawyer who founded the Equal Justice Initiative, has the purpose of defending those who desperately need help from the poor, the wrongly condemned, and women and children trapped far beyond the reach of the criminal justice system. His first case, Walter McMillian, a young man sentenced to death for a notorious murder he didn’t commit. This case brought Stevenson into a winding conspiracy, political machination, and legal brinksmanship which transformed his understanding of mercy and justice forever. Just Mercy is an unforgettable and personal account of a visionary lawyer’s coming of age—moving as a window of hope for the lives of those he has defended and an inspiring argument for compassion in the pursuit of true justice.

Circumstantial Evidence

Death, Life, and Justice in a Southern Town *Bantam*

Recounts the struggle of a young African-American lawyer from Alabama to clear the name of a black death-row inmate convicted of murder in a highly flawed trial, in a story that gained national attention in 1993. Reprint.

Let Justice Roll Down *Baker Books*

His brother died in his arms, shot by a deputy marshall. He was beaten and tortured by the sheriff and state police. But through it all he returned good for evil, love for hate, progress for prejudice, and brought hope to black and white alike. The story of John Perkins is no ordinary story. Rather, it is a gripping portrayal of what happens when faith thrusts a person into the midst of a struggle against racism, oppression, and injustice. It is about the costs of discipleship--the jailings, the floggings, the despair, the sacrifice. And it is about the transforming work of faith that allowed John to respond to such overwhelming indignities with miraculous compassion, vision, and hope.

Mountains Beyond Mountains

The Quest of Dr. Paul Farmer, a Man Who Would Cure the World *Random House*

NEW YORK TIMES BESTSELLER • “[A] masterpiece . . . an astonishing book that will leave you questioning your own life and political views.”—USA Today “If any one person can be given credit for transforming the medical establishment's thinking about health care for the destitute, it is Paul Farmer. . . . [Mountains Beyond Mountains] inspires, discomferts, and provokes.”—The New York Times (Best Books of the Year) In medical school, Paul Farmer found his life’s calling: to cure infectious diseases and to bring the lifesaving tools of modern medicine to those who need them most. Tracy Kidder’s magnificent account shows how one person can make a difference in solving global health problems through a clear-eyed understanding of the interaction of politics, wealth, social systems, and disease. Profound and powerful, Mountains Beyond Mountains takes us from Harvard to Haiti, Peru, Cuba, and Russia as Farmer changes people’s minds through his dedication to the philosophy that “the only real nation is humanity.” WINNER OF THE LETTRE ULYSSES AWARD FOR THE ART OF REPORTAGE

Summary of Just Mercy By Bryan Stevenson

A Story of Justice and Redemption *Independently Published*

SYNOPSIS: Just Mercy (2014) is a walk through the American criminal justice system of the 1980s. These blinks explain how a system that is supposed to safeguard the rights of the nation's citizens became an unjust tool to mistreat and abuse the most vulnerable members of society through mass incarceration and excessive sentencing. ABOUT AUTHOR: Bryan Stevenson is a death row attorney who founded and serves as executive director of the Equal Justice Initiative, an Alabama-based nonprofit organization that represents and advocates for subjugated people. In addition to his work at EJI, Stevenson is a professor of law at the New York University Law School.DISCLAIMER: This book is a SUMMARY. It is meant to be a companion, not a replacement, to the original book. Please note that this summary is not authorized, licensed, approved, or endorsed by the author or publisher of the main book. The author of this summary is wholly responsible for the content of this summary and is not associated with the original author or publisher of the main book.Tags: Just Mercy; A Story of Justice and Redemption By Bryan Stevens

Alabama Noir *Akashic Books*

Alabama joins Mississippi as fertile Deep South soil for the Noir Series. "A beautifully engineered anthology of 16 crime and mystery stories that are heavy on setting, atmosphere, and human emotion." --Mystery Scene "Each story springs from a particular place, actual streets, honkytonks or stomping grounds any Alabamian may have walked." --Tuscaloosa News One of the Southern Review of Book's Best Southern Books of April 2020 One of Alabama.com's 10 recent books with Alabama ties you'll want to read "Alabama Noir is known for its fertile deep-south perspective and encounters troubles and foibles galore as well as darkness in many forms." --Birmingham Times "Short fiction is alive and well in Alabama...There is not a single

story unworthy of this collection infused with Alabama settings, and all readers will find tasty literary morsels to their liking." --Alabama Writers' Forum "If the darkness suits you, there's a new anthology to suit your shadowy heart...[Alabama Noir] holds 16 tales packed with sinister ambition, iniquity, revenge and the prices we pay for our schemes." --Lagniappe Weekly "Alabama Noir presents a group of stories diverse in their approach, their subject matter, their sub-genre, their influences, and their political perspective, and it can be fascinating to see how those varied influences intersect." --Another Chicago Magazine "Banish any boredom with a descent into Alabama Noir." --Southern Review of Books "The 16 tales in this entertaining Akashic noir anthology cover the entire state of Alabama...The flaws are few and far between, and as is so often the case for the series, each contributor consistently embraces the setting." --Publishers Weekly "Especially and unreservedly recommended." --Midwest Book Review Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct location within the geographic area of the book. Brand-new stories by: Ace Atkins, Tom Franklin, Anita Miller Garner, Suzanne Hudson, Kirk Curnutt, Wendy Reed, Carolyn Haines, Anthony Grooms, Michelle Richmond, Winston Groom, Ravi Howard, Thom Gossom Jr., Brad Watson, Daniel Wallace, D. Winston Brown, and Marlin Barton. From the introduction by Don Noble: Some locales seem to come with their own soundtrack. Don Ho and his tiny bubbles provide the background music for Hawaii, Edith Piaf for Paris. The reggae of Bob Marley evokes Jamaica. The soundtrack for Alabama is without question provided by our troubled troubadour Hank Williams. The 2016 biography Hank by Mark Ribowsky paints a dark picture of the musician's short, alcoholic, drug-filled life: a life of loneliness and pain. He goes so far as to call Hank's life story "noir-ish"... In Alabama Noir we encounter "troubles and foibles" galore, darkness in many forms. The stories range from the deadly grim to some that are actually mildly humorous. We see desperate behavior on the banks of the Tennessee River, in the neighborhoods of Birmingham, in the affluent suburbs of Mobile, in a cemetery in Montgomery, and even on the deceptively pleasant beaches of the Gulf of Mexico. Fans of noir should all find something to enjoy.

Anatomy of Injustice

A Murder Case Gone Wrong *Vintage*

In January 1982, en elderly white widow was found brutally murdered in a small town of Greenwood, South Carolina. The arrest and conviction of Edward Lee Elmore, a semiliterate, mentally retarded black man with no previous felony record is a textbook example of what can go wrong in the American justice system. With the exemplary moral commitment and tenacious investigation that have distinguished his reporting career, Raymond Bonner follows the efforts of a courageous young attorney, Dianna Holt, to save Elmore's life. -- from back cover.

The Sun Does Shine

How I Found Life and Freedom on Death Row (Oprah's Book Club Summer 2018 Selection) *Saint Martin's Griffin*

A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit. "An amazing and heartwarming story, it restores our faith in the inherent goodness of humanity." - Archbishop Desmond Tutu In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only twenty-nine years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with no money and a different system of justice for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in agonizing silence--full of despair and anger toward all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon--transforming not only his own spirit, but those of his fellow inmates, fifty-four of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of Just Mercy, Bryan Stevenson, Hinton won his release in 2015. With a foreword by Stevenson, The Sun Does Shine is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton's memoir tells his dramatic thirty-year journey and shows how you can take away a man's freedom, but you can't take away his imagination, humor, or joy.

Decriminalizing Domestic Violence

A Balanced Policy Approach to Intimate Partner Violence *Univ of California Press*

Decriminalizing Domestic Violence asks the crucial, yet often overlooked, question of why and how the criminal legal system became the primary response to intimate partner violence in the United States. It introduces readers, both new and well versed in the subject, to the ways in which the criminal legal system harms rather than helps those who are subjected to abuse and violence in their homes and communities, and shares how it drives, rather than deters, intimate partner violence. The book examines how social, legal, and financial resources are diverted into a criminal legal apparatus that is often unable to deliver justice or safety to victims or to prevent intimate partner violence in the first place. Envisioned for both courses and research topics in domestic violence, family violence, gender and law, and sociology of law, the book challenges readers to understand intimate partner violence not solely, or even primarily, as a criminal law concern but as an economic, public health, community, and human rights problem. It also argues that only by viewing intimate partner violence through these lenses can we develop a balanced policy agenda for addressing it. At a moment when we are examining our national addiction to punishment, Decriminalizing Domestic Violence offers a thoughtful, pragmatic roadmap to real reform.

I Know This to be True: Bryan Stevenson *Chronicle Books*

The I Know This to Be True series is a collection of extraordinary figures from diverse backgrounds answering the same questions, as well as sharing their compelling stories, guiding ideals, and insightful wisdom. Bryan Stevenson has committed his career to fighting wrongful convictions, systemic poverty, and mass incarceration—here, he shares the lessons he's learned throughout his life. Stories include how his slave ancestry shaped his childhood, how a poignant conversation with a death row inmate impacted his work, and why he believes the worst thing that happens to a person shouldn't define their life. • Bryan Stevenson is one of today's most influential social justice attorneys and author of the bestselling book Just Mercy • This book is an encouraging road map for aspiring activists and anyone who believes in second chances • The landmark book series brims with messages of leadership, courage, compassion, and hope Inspired by Nelson Mandela's legacy and created in collaboration with the Nelson Mandela Foundation, I Know This to Be True is a global series of books created to spark a new generation of leaders. This series offers encouragement and guidance to graduates, future leaders, and anyone hoping to make a positive impact on the world. • Royalties from sales of the series support the free distribution of material from the series to the world's developing economy countries • Great for those who loved Letters of Note: An Eclectic Collection of Correspondence Deserving of a Wider Audience by Shaun Usher, Long Walk to Freedom: The Autobiography of Nelson Mandela by Nelson Mandela, and Just Mercy: A Story of Justice and Redemption by Bryan Stevenson

A Perilous Path

Talking Race, Inequality, and the Law *The New Press*

A no-holds-barred, red-hot discussion of race in America today from some of the leading names in the field, including the bestselling author of Just Mercy This blisteringly candid discussion of the American dilemma in the age of Trump brings together the head of the NAACP Legal Defense Fund, the former attorney general of the United States, a bestselling author and death penalty lawyer, and a star professor for an honest conversation the country desperately needs to hear. Drawing on their collective decades of work on civil rights issues as well as personal histories of rising from poverty and oppression, these leading lights of the legal profession and the fight for racial justice talk about the importance of reclaiming the racial narrative and keeping our eyes on the horizon as we work for justice in an unjust time. Covering topics as varied as “the commonality of pain,” “when lawyers are heroes,” and the concept of an “equality dividend” that is due to people of color for helping America brand itself internationally as a country of diversity and acceptance, Ifill, Lynch, Stevenson, and Thompson also explore topics such as “when did ‘public’ become a dirty word” (hint, it has something to do with serving people of color), “you know what Jeff Sessions is going to say,” and “what it means to be a civil rights lawyer in the age of Trump.” Building on Stevenson’s hugely successful Just Mercy, Lynch’s national platform at the Justice Department, Ifill’s role as one of the leading defenders of civil rights in the country, and the occasion of Thompson’s launch of a new center on race, inequality, and the law at the NYU School of Law, A Perilous Path will speak loudly and clearly to everyone concerned about America’s perpetual fault line.

Chasing Me to My Grave

An Artist's Memoir of the Jim Crow South *Bloomsbury Publishing USA*

WINNER OF THE 2022 PULITZER PRIZE IN BIOGRAPHY Booklist #1 Nonfiction Book of the Year * African American Literary Book Club (AALBC) #1 Nonfiction Bestseller * Named a Best Book of the Year by: NPR, Publishers Weekly, BookPage, Barnes & Noble, Hudson Booksellers, ARTnews, and more * Amazon Editors' Pick * Carnegie Medal of Excellence in Nonfiction Longlist "A compelling and important history that this nation desperately needs to hear." -Bryan Stevenson, New York Times bestselling author of Just Mercy and executive director of the Equal Justice Initiative Winfred Rembert grew up in a family of Georgia field laborers and joined the Civil Rights Movement as a teenager. He was arrested after fleeing a demonstration, survived a near-lynching at the hands of law enforcement, and spent seven years on chain gangs. During that time he met the undaunted Patsy, who would become his wife. Years later, at the age of fifty-one and with Patsy's encouragement, he started drawing and painting scenes from his youth using leather tooling skills he learned in prison. Chasing Me to My Grave presents Rembert's breathtaking body of work alongside his story, as told to Tufts Philosopher Erin I. Kelly. Rembert calls forth vibrant scenes of Black life on Cuthbert, Georgia's Hamilton Avenue, where he first glimpsed the possibility of a life outside the cotton field. As he pays tribute, exuberant and heartfelt, to Cuthbert's Black community and the people, including Patsy, who helped him to find the courage to revisit a traumatic past, Rembert brings to life the promise and the danger of Civil Rights protest, the brutalities of incarceration, his search for his mother's love, and the epic bond he found with Patsy. Vivid, confrontational,

revelatory, and complex, *Chasing Me to My Grave* is a searing memoir in prose and painted leather that celebrates Black life and summons readers to confront painful and urgent realities at the heart of American history and society.

New Power

How Power Works in Our Hyperconnected World--and How to Make It Work for You *Random House Canada*

From two influential and visionary thinkers comes a big idea that is changing the way movements catch fire and ideas spread in our highly connected world. For the vast majority of human history, power has been held by the few. "Old power" is closed, inaccessible, and leader-driven. Once gained, it is jealously guarded, and the powerful spend it carefully, like currency. But the technological revolution of the past two decades has made possible a new form of power, one that operates differently, like a current. "New power" is made by many; it is open, participatory, often leaderless, and peer-driven. Like water or electricity, it is most forceful when it surges. The goal with new power is not to hoard it, but to channel it. New power is behind the rise of participatory communities like Facebook and YouTube, sharing services like Uber and Airbnb, and rapid-fire social movements like Brexit and #BlackLivesMatter. It explains the unlikely success of Barack Obama's 2008 campaign and the unlikelier victory of Donald Trump in 2016. And it gives ISIS its power to propagate its brand and distribute its violence. Even old power institutions like the Papacy, NASA, and LEGO have tapped into the strength of the crowd to stage improbable reinventions. In *New Power*, the business leaders/social visionaries Jeremy Heimans and Henry Timms provide the tools for using new power to successfully spread an idea or lead a movement in the twenty-first century. Drawing on examples from business, politics, and social justice, they explain the new world we live in--a world where connectivity has made change shocking and swift and a world in which everyone expects to participate.

My Time Will Come

A Memoir of Crime, Punishment, Hope, and Redemption *Pantheon*

"The ... story of a fourteen-year-old sentenced to life in prison, of the extraordinary relationship that developed between him and the woman he shot, and of his release after twenty-six years of imprisonment through the efforts of ... legal activist Bryan Stevenson"--

In addition to his work at EJI, Stevenson is a professor of law at the New York University Law School..... INTRODUCTION:..... Learn about the history and development of the American criminal justice system.What do you know about the American criminal justice system? Have you ever visited one of its prisons? How about some hands-on experience and knowledge from a lawyer who has worked inside the American prison-industrial complex and played his part in the scenes unfurling in many of the country's courtrooms? In *Just Mercy*, the author explains how the system worked back in the 1980s, how it has developed up until today, and especially how different societal groups, including women, children and mentally disabled people, have been subject to an unpleasant type of "special treatment." In this summary, you'll discover How high the prison population has soared since the 1980s; How the system's treatment of mentally disabled criminals has developed over the years; and Why being an underage cr&#

Picking Cotton

Our Memoir of Injustice and Redemption *St. Martin's Press*

The New York Times best selling true story of an unlikely friendship forged between a woman and the man she incorrectly identified as her rapist and sent to prison for 11 years. Jennifer Thompson was raped at knifepoint by a man who broke into her apartment while she slept. She was able to escape, and eventually positively identified Ronald Cotton as her attacker. Ronald insisted that she was mistaken-- but Jennifer's positive identification was the compelling evidence that put him behind bars. After eleven years, Ronald was allowed to take a DNA test that proved his innocence. He was released, after serving more than a decade in prison for a crime he never committed. Two years later, Jennifer and Ronald met face to face-- and forged an unlikely friendship that changed both of their lives. With *Picking Cotton*, Jennifer and Ronald tell in their own words the harrowing details of their tragedy, and challenge our ideas of memory and judgment while demonstrating the profound nature of human grace and the healing power of forgiveness.

Dressed in Dreams

A Black Girl's Love Letter to the Power of Fashion *St. Martin's Press*

One of *Essence's* "10 Books We're Dying To Toss Into Our Summer Totes" From sneakers to leather jackets, a bold, witty, and deeply personal dive

into Black America's closet In this highly engaging book, fashionista and pop culture expert Tanisha C. Ford investigates Afros and dashikis, go-go boots and hotpants of the sixties, hip hop's baggy jeans and bamboo earrings, and the #BlackLivesMatter-inspired hoodies of today. The history of these garments is deeply intertwined with Ford's story as a black girl coming of age in a Midwestern rust belt city. She experimented with the Jheri curl; discovered how wearing the wrong color tennis shoes at the roller rink during the drug and gang wars of the 1980s could get you beaten; and rocked oversized, brightly colored jeans and Timberlands at an elite boarding school where the white upper crust wore conservative wool shift dresses. *Dressed in Dreams* is a story of desire, access, conformity, and black innovation that explains things like the importance of knockoff culture; the role of "ghetto fabulous" full-length furs and colorful leather in the 1990s; how black girls make magic out of a dollar store t-shirt, rhinestones, and airbrushed paint; and black parents' emphasis on dressing nice. Ford talks about the pain of seeing black style appropriated by the mainstream fashion industry and fashion's power, especially in middle America. In this richly evocative narrative, she shares her lifelong fashion revolution—from figuring out her own personal style to discovering what makes Midwestern fashion a real thing too.

Ruth Bader Ginsburg

A Life *Vintage*

In this comprehensive, revelatory biography--fifteen years of interviews and research in the making--historian Jane Sherron De Hart explores the experiences that shaped Ruth Bader Ginsburg's passion for justice, her advocacy for gender equality, and her meticulous jurisprudence. At the heart of her story is her Jewish background and the concept of tikkun olam, the Hebrew injunction to "repair the world," with its profound meaning for a young girl who grew up in the shadow of the Holocaust. Ginsburg's journey begins with her mother, who died tragically young but whose intellect inspired her daughter's feminism. It stretches from Ginsburg's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia law schools; to becoming one of the first female law professors in the country, fighting for equal pay and hiding her second pregnancy to avoid losing her job; to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti-sex discrimination cases before the U.S. Supreme Court. All this, even before being nominated in 1993 to become the second woman on the Court, where her crucial decisions and dissents are still making history. Intimately and personably told, this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence, American society, and our American character will reverberate deep into the twenty-first century and beyond. -- Publisher's description.

Dreamers *Holiday House*

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrantes bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own *Dreamers* becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! A New York Times / New York Public Library Best Illustrated Book A New York Times Bestseller Recipient of the Flora Stieglitz Strauss Award A 2019 Boston Globe - Horn Book Honor Recipient An Anna Dewdney Read Together Honor Book Named a Best Book of 2018 by Kirkus Reviews, Publishers Weekly, School Library Journal, Shelf Awareness, NPR, the Boston Globe, the Chicago Tribune, Salon.com-- and many more! He's Not Lazy

Empowering Your Son to Believe in Himself *Sterling*

"Clinical psychologist Price offers one of the most significant books of the year in this new look at an old problem--the underperforming teenage boy... Price's book brings an important voice to a much needed conversation." --Library Journal (Starred review) On the surface, capable teenage boys may look lazy. But dig a little deeper, writes child psychologist Adam Price in *He's Not Lazy*, and you'll often find conflicted boys who want to do well in middle and high school but are afraid to fail, and so do not try. This book can help you become an ally with your son, as he discovers greater self-confidence and accepts responsibility for his future.

Summary of Just Mercy by Bryan Stevenson *Createspace Independent Publishing Platform*

PLEASE NOTE: This is a summary, analysis and review of the book and not the original book. Bryan Stevenson's controversial and eye-opening book: *Just Mercy: A Story of Justice and Redemption* is a stunning, personal, and in-depth look at the racial injustices plaguing the American justice system. This *FastReads Summary & Analysis* offers supplementary material to *Just Mercy* to help you distill the key takeaways, review the book's content, and further understand the writing style and overall themes from an editorial perspective. Whether you'd like to deepen your understanding, refresh your memory, or simply decide whether or not this book is for you, *FastReads Summary & Analysis* is here to help. Absorb everything you need to know in

under 20 minutes! What Does This FastReads Summary Include? Executive Summary of the original book Brief chapter-by-chapter summaries Key takeaways from each chapter Editorial Review Original Book Summary Overview The mission of Just Mercy is to peel back the curtain on corporal punishment and the culture of mass incarceration in America. An emphasis is placed on the rate at which America imprisons its' citizens, especially the poor and African American populations, and the unforeseen consequences and costs of this mass incarceration. Stevenson shines an unapologetic light on the unfair, irresponsible, and biased prosecution of an impoverished population and the ripple effects this has on families, communities, and the American people. BEFORE YOU BUY: The purpose of this FastReads Summary is to help you decide if it's worth the time, money and effort reading the original book (if you haven't already). FastReads has pulled out the essence-but only to help you ascertain the value of the book for yourself. This analysis is meant as a supplement to, and not a replacement for, Just Mercy.

Covet the Night

Ascent of the Wicked Book 1

Gwen's days are numbered, literally. So when a beautiful stranger extends an offer of immortality, she accepts without hesitation and the treacherous initiation that comes along with it. Faced with unprecedented danger, Gwen must stay alive long enough to discover once and for all what is worth living and dying for.

On Tyranny Graphic Edition

Twenty Lessons from the Twentieth Century Ten Speed Press

Note: The ebook of this graphic edition combines a hand-lettered font with richly detailed images. Due to the nature of the design, readers will be required to zoom in on each page. For the best experience, please use a larger, full-color screen. NEW YORK TIMES BESTSELLER • A graphic edition of historian Timothy Snyder’s bestselling book of lessons for surviving and resisting America’s arc toward authoritarianism, featuring the visual storytelling talents of renowned illustrator Nora Krug “Nora Krug has visualized and rendered some of the most valuable lessons of the twentieth century, which will serve all citizens as we shape the future.”—Shepard Fairey, artist and activist Timothy Snyder’s New York Times bestseller On Tyranny uses the darkest moments in twentieth-century history, from Nazism to Communism, to teach twenty lessons on resisting modern-day authoritarianism. Among the twenty include a warning to be aware of how symbols used today could affect tomorrow (“4: Take responsibility for the face of the world”), an urgent reminder to research everything for yourself and to the fullest extent (“11: Investigate”), a point to use personalized and individualized speech rather than clichéd phrases for the sake of mass appeal (“9: Be kind to our language”), and more. In this graphic edition, Nora Krug draws from her highly inventive art style in Belonging—at once a graphic memoir, collage-style scrapbook, historical narrative, and trove of memories—to breathe new life, color, and power into Snyder’s riveting historical references, turning a quick-read pocket guide of lessons into a visually striking rumination. In a time of great uncertainty and instability, this edition of On Tyranny emphasizes the importance of being active, conscious, and deliberate participants in resistance.
