Awaken 1 Katie Kacvinsky

Katie Kacvinsky's debut novel, *Awaken*, takes the reader to the year 2060, when every aspect of life has become digitalized. People hardly go out anymore; they have confined themselves to their homes after tragic incidents in the past and live through their computer, socializing only in online communities. Young people even go to school online.

Awaken (Awaken, #1) by Katie

Kacvinsky

Interestingly enough, the story is also about all the beauty and nature this society has lost. With a need for technology that borders on the pathological, and a complete abandonment of anything natural for that which is safe, controlled, and digital, this cover is a natural fit (pun intended) for Katie Kacvinsky's *Awaken*.

Amazon.com: Awaken (9780547721989): Kacvinsky, Katie: Books

Katie Kacvinsky worked as a model and as a high school English teacher before deciding to write full time. She currently lives in Corvallis, Oregon. The trees in

Oregon were the inspiration for her story. Awaken is her debut novel.

**Katie Kacvinsky
(Author of Awaken) -**

Goodreads

Awaken was so good, I'm still considering rereading it immediately, now, when I'm done with my review. Awaken is both futuristic and present. Kacvinsky illustrates how people in 2060 (and today) choose to be almost solely connected to the digital world. Everywhere people are plugged in. Face to face interaction is almost nonexistent.
