New York Life

Taking control of your life, actually designing the life that you want to live, is very different from just living your life. When you live your life, you often let others' priorities and the obstacles you face dictate how you spend your time. Instead of letting life happen to you, instead of life being something to which you react, take control and start living the life that makes you happiest. To take control of your life means several things.

Design Your Life - Home | Facebook

Designing a simple life means having fewer distractions in your life, so you can focus on what matters. It's about saying no to everything that gets in the way, but saying yes to what's right for you. It means having more of some things: more time, more energy, more space, more flex in your budget, more peace of mind.
