... 19 reviews of Sound Solutions "i have dealt with this store the last few weeks. They did a great job on my install while there I also had my windows tinted. turned out great. as I was waiting

this shop had loads of business for tinting and stereo so I was impressed and felt good about my choice of stores. They have answered every question and gave me great deals on my equipment.

Sound Solutions - 19 Reviews - Car Stereo Installation ...

If the charging system and connections are damaged or worn, this can also cause the noise to occur. The noise will rise and fall with the engine, and fluctuates with the RPM of your car’s alternator. To fix this, you need to find the component that is making the noise and re-ground it.
