Mosby's Essentials for Nursing Assistants - E-Book
Elsevier Health Sciences

Designed for shorter programs of 85 hours or fewer, Mosby's Essentials for Nursing

Assistants, 6th Edition provides coverage of the concepts and skills that are essential for becoming a nursing assistant. Known for its reader-friendly approach, and bright visual presentation, the text covers OBRA-mandated content including step-by-step procedures for 76 skills covered on the latest NATSEP certification exams. With focus on quality of life in the patient/person and self-pride in the nursing assistant this concise text emphasizes the importance of treating residents with respect while providing safe, competent, and efficient care. New features include Focus on Math to help you master the formulas and calculations necessary for safe and

effective caregiving and Focus on Pride: Application, which directs you to focus on residents' emotional and mental needs during specific procedures. Over 75 procedures boxes are divided into step-by-step format with instructions for performing each skill, including Quality of Life courtesies, Pre-procedure, Procedure, and Post-Procedure sections to make learning critical skills easier. Concise coverage of nursing assistant content written at a 7th grade reading level that's ideal and easy to use in classes with shorter hour requirements. Promoting Safety and Comfort boxes highlight important considerations for providing safe and

effective care while promoting patient comfort. Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws, encouraging you to promote pride in the person, family, and themselves. Caring about Culture boxes contain information to help you learn about the various practices of other cultures. Focus on Practice boxes at the end of each chapter present short case scenarios with questions so students can consider practical applications for providing patient care. Focus on Communication boxes suggest what to say

and questions to ask when interacting with patients, residents, visitors, and the nursing team to ensure clear communication in practice. Delegation Guidelines identify the nursing assistant's specific responsibilities in accepting commonly delegated tasks. NEW! Getting a Job chapter describes the professional skills you need for seeking and landing a job after certification. NEW! Focus on Math feature increases your critical thinking and calculation skills to assist you in performing a variety of procedures. NEW! Urinary Catheters chapter focuses on safety concerns surrounding perineal care. NEW! Content on electronic communication covers

safety rules and wrongful use of electronic communication methods including cell phones and social media. NEW! Focus on Pride: Application examines residents' emotional and mental wellbeing during care for specific issues.

This money saving package includes Mosby's Essentials for Nursing Assistants - Text and Workbook.

Mosby's Textbook for Nursing Assistants *Mosby*

With step-by-step instructions for over 100 nursing assistant procedures, Mosby's Textbook for Nursing Assistants, 8th Edition makes it easy to

master the skills you need to succeed as a nursing assistant. Known for its visual approach and comprehensive, easy-to-read coverage, this market-leading text emphasizes the importance of the patient or resident as a person, communication, safety, comfort, effective delegation, and teamwork and time management. This edition provides expanded content on the person's rights and pressure ulcers. The updated companion CD includes three new procedures, an updated audio glossary, and more. Written by respected educator Sheila Sorrentino and expert co-author Leighann Remmert, Mosby's Textbook for Nursing

Assistants makes nurse assisting easy to learn. Complete coverage includes the knowledge and skills needed by the nursing assistant. A clear, readable writing style is supplemented with hundreds of full-color photographs and illustrations. Over 100 procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Skills on the NNAAP® exam are highlighted throughout and have been updated to match the 2012 test plan. Delegation Guidelines identify your specific responsibilities in accepting commonly delegated tasks. Teamwork and Time Management boxes indicate ways you can efficiently work with and help nursing team members. Promoting

Safety and Comfort boxes detail measures and cautions for providing safe, effective patient care. Caring About Culture boxes help you learn about the beliefs and customs of other cultures so you can provide appropriate care. Focus on Children and Older Persons boxes provide age-specific information about the special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in these settings. Focus on Communication boxes provide guidelines for what to say and ask when communicating with residents, visitors, and the nursing team. Key abbreviations are included at the beginning of each chapter, with a comprehensive glossary at the back of the book. Key terms introduce chapter content with the important words and phrases. Chapter Review Questions are useful in guiding your study, reviewing what you have learned, and studying for a test or the competency evaluation. CD icons indicate skills included on the companion CD. Video clip icons indicate skills for which video clips are included on the free Evolve companion website. Video icons indicate skills included in the Mosby's Nursing Assistant Video Skills 3.0 DVDs (sold separately). The

Workbook and Competency Evaluation Review corresponds to chapters in the text and encourages learning with a wide variety of exercises and activities that challenge you to remember what you've learned. It also includes over 100 checklists, one for each procedure in the textbook. The Competency Evaluation Review includes content review, skills evaluation review, and two practice exams. Sold separately. NEW! The Person's Rights and Pressure Ulcers chapters provides expanded information on these key areas. NEW Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws to help you promote pride in the person, family, and yourself. Two laminated, pocket-sized cards include information on normal vital signs, common measurement conversions, positioning, the 24-hour clock, and abdominal and lateral regions. Updated companion CD contains interactive procedures, including three new procedures, learning exercises, an updated audio glossary, and a new Spanish audio glossary with phrases and terms. An updated A&P review, Body Spectrum, is available on the CD and on the

Evolve companion website.

Nursing Assistants
*Lippincott Williams &
Wilkins*

This textbook for nursing assistants will prepare students not only to function in the traditional nursing assistant role in nursing homes, hospitals, and home health, but also will prepare students to advance their careers. A nursing assistant student who uses this text will have a firm foundation by which to transition to an LPN and ultimately an RN role. The text offers a compelling art program, a direct, conversational writing style, and an emphasis on professionalism and humanism. A back-of-book CD-ROM includes an audio glossary.

**Lippincott's
Textbook for**

**Mosby's Textbook
for the Home Care**

Aide Elsevier Health Sciences

Covering the essential content and procedures a home care aide needs to know, Mosby's Textbook for the Home Care Aide, 3rd Edition prepares you for success in this rapidly growing field. A clear approach makes the book easy to use and understand, featuring hundreds of full-color photographs and drawings along with step-by-step procedures for skills performed by home care aides. Updated and expanded in this edition are chapters on meeting the client's nutritional needs and on getting and keeping a job. Written by home care experts Joan Birchenall and Eileen Streight, this textbook prepares you for the

many types of situations you may encounter as a home care aide. Hundreds of full-color photos and drawings depict key ideas and clearly demonstrate procedure steps. Procedures provide step-by-step, easy-to-understand instructions on performing important skills and tasks. UNIQUE! A cast of caregivers, including a supervisor and four home care aides, are highlighted in scenarios that provide realistic examples of the types of situations you are likely to encounter in the home care environment. Guidelines for Observing, Recording, and Reporting (ORR) are highlighted throughout the text, emphasizing the home care aide's

responsibilities for observing and documenting the client's condition and care. Key considerations and reminders are presented in color font to emphasize the importance of performing these actions. Objectives and Key Terms in each chapter focus your attention on essential information. Chapter summaries and study questions review the key points in each chapter.

Updated/Expanded Meeting the Client's Nutritional Needs chapter includes the new MyPlate food guide and new nutrition guidelines. Updated/Expanded Getting a Job and Keeping It chapter reflects the job prospects and

challenges of today, including the realities of moving between states and differences in certification requirements. Updated equipment photos are included. Evolve companion website includes skills competency checklists and an audio glossary.

Gym Bodies *Routledge*

Drawing on empirical research, this fascinating new book explores the embodied experiences of 'gym goers' and the fitness cultures that are constructed within gyms and fitness spaces. *Gym Bodies* offers a personal, interactive, ethnographic account of the multiplicity of contemporary gym practices, spaces and cultures, including bodybuilding, CrossFit and Spinning. It argues that gym bodies are historically constructed, social, sensual, emotional and political; that experience intersects with multiple embodied

identities; and that fitness cultures are profoundly important in shaping the body in wider contemporary culture. This is important reading for students, tutors and researchers working in sport and exercise studies, sociology of the body, health studies, leisure, cultural studies, gender and education. It is also a valuable resource for policy makers and practitioners within the fields of sport, leisure, health and education.

Under His Dominance *Totally Entwined Group (USA+CAD)*

FROM EXCITING
ROMANCE AUTHOR
JASMINE HILL A Dark
and Deadly dark
romance story Can he
keep her forever,

under his dominance? Asmodeus is the Archdemon of lust. Ever since he became a fallen angel, he's been walking the earth, inciting and encouraging lust and lechery amongst mankind. In his guise of Barrett Lord, he rules over an empire of clubs that cater to the lustful urges and fetishes of humans. When he spots Arianell Monroe at his annual Halloween party, he determines to have her. Her angelic beauty and innocence are too much for him to ignore. He wants to take her purity as his own, corrupt her and ruin her for any other man. And he's going to start by introducing her to his private BDSM dungeon. Arianell is fascinated by BDSM, but her shyness, coupled with the reactions others have had to her albinism, has kept her from exploring her curiosity. But something about Barrett Lord puts her instantly at ease. She's immediately attracted to the powerful and dominant club owner and finds herself quickly sucked into his heady orbit. She naturally submits to his commanding alpha presence and sexual dominance but determines to set her heart and head against him. Even she knows that he's not the sort of man who will commit—to anything. Arianell is special and Asmodeus wants to keep her, but to do so, he'll have to risk everything. Will she agree to his plans? Or will he lose her forever?
