Bills before Parliament 2019-21 — UK Parliament

The Care Act 2014, which came into effect in 2015, represents the most significant reform of care and support in more than 60 years, putting people and their carers in control of their care and support. The Act combines various existing pieces of legislation which previously shaped how social care was arranged in Britain. The intention is that the Care Act will make it easier for the public to understand why things happen in a particular way.
