One, Two, Buckle My Shoe *HarperCollins UK*

Shortly after Hercule Poirot's visit, a dentist lies murdered in his Harley Street practice... The dentist was found with a blackened hole below his right temple. A pistol lay on the floor near his outflung right hand. Later, one of his patients was found dead from a lethal dose of local anaesthetic. A clear case of murder and suicide. But why would a dentist commit a crime in the middle of a busy day of appointments? A shoe buckle holds the key to the mystery. Now - in the words of the rhyme - can Poirot pick up the sticks and lay them straight?

One, Two, Buckle My Shoe *Holiday House*

Go from 1 to 20 and look for chicks aplenty in this cheerful read-along. Rabbit needs to one, two, buckle her shoe and three, four, run out the door so she can help her neighbor Mommy Hen prepare a yummy surprise for the little pigs' birthday party. Meanwhile, Mommy Hen's four little chickies are causing mischief. Can you count to 20 with Rabbit and keep track of those sneaky chicks at the same time? Between the four little chicks hiding on every page and the creative story-telling approach to a popular

counting rhyme, there is a lot to love about this delightful picture book. Combined with Jane Cabrera's signature eye-catching art style, learning to count has never been so much fun. Jane Cabrera's Story Time celebrates children's best-loved read along nursery rhymes and songs. A Little SPOT of Responsibility

A Story about Making Good Choices

'One two, buckle my shoe' [an illustr. nursery rhyme].

Discovering Orff

A Curriculum for Music Teachers *Schott & Company Limited*

(Schott). This book is intended for those who want detailed, practical assistance in how and why to use Orff techniques and materials in the classroom. Goals are outlined and the best ways to achieve them are explored, but the principal focus is on the arrangement of the curriculum in a logical sequence. Such a structure provides a reasonable progression from simple to more complex objectives not only from day to day but from year to year. Structured learning need not be the enemy of improvisation but rather the best way to provide students with the tools they need to improvise. The book contains an introduction to the development of Orff-Schulwerk and a discussion of the distinguishing features of this approach. Chapter Two introduces the activities children use in their music-making. The teaching procedure that structures those activities is taken up in Chapter Three while Chapter Four explains the vocabulary and accompaniment theory essential to the Orff teacher. Part Two applies these elements in a sequential curriculum designed for Grades One through Five. Especially important in each chapter is the inclusion of supporting activities designed to aid in teaching the various skills and concepts.
