Work Experience: My Reflection

A work experience letter is something you attach on your application for work experience, to let a company know you're interested in finding a placement with them. It's similar to a cover letter, although it will tend to focus more on your skills and education, rather than your previous experience (although it is possible to find work experience later on in your career).

Work experience letter template | reed.co.uk

Writing an essay about a personal experience or relationship can be a powerful way of both discovering the meaning of your own

past and sharing that past with others. When you write about something in your past, you have two perspectives: your perspective in the present and the perspective you had at the time the event occurred.
