4.0 out of 5 stars review headway inter 4th. Reviewed in the United Kingdom on 24 February 2011. handy for all types of classes, although still better for groups than one to one, unfortunately. CDROM is very useful with extra tests and wordlists and the tapescripts and so on. teachers

book otherwise is rather unoriginal and unfortunately still lacks extra activities, so always need extra time to prepare each class. But, you still can't beat headway.
