Modern Loss

Candid Conversation About Grief. Beginners Welcome.

HarperCollins

Inspired by the website that the New York Times hailed as "redefining mourning," this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time

when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral and we receive automated birthday reminders for dead friends, it's clear we are navigating new terrain without a road map. Let's face it: most of us have always had a difficult time talking about death and sharing our grief. We're awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded Modern Loss, responding to a need to change the dialogue

around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the Modern Loss community to help us cry, laugh, grieve, identify, and—above all—empathize. Soffer and Birkner, along with forty guest contributors including Lucy Kalanithi, singer Amanda Palmer, and CNN's Brian Stelter, reveal their own stories on a wide range of topics including triggers, sex, secrets, and inheritance. Accompanied by beautiful hand-drawn illustrations and witty "how to" cartoons, each contribution provides a unique perspective on loss as well as a remarkable life-affirming message. Brutally honest and inspiring, Modern Loss

invites us to talk intimately and humorously about grief, helping us confront the humanity (and mortality) we all share. Beginners welcome.

The Arsonist's Last Words

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she can't shake the feeling that something isn't right. The official story doesn't ring true. Her interviews become front-page news. So does her suicide, a

year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sisters effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Juni's laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks won't be the ones she finds. Told through an inspired mix of puzzle pieces—news stories, phone transcripts, press releases—and filled with gallows humor, this is a novel about life, loss, and the slippery nature

of truth--Provided by the publisher.

Hope Returns *Xulon Press*

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a

handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who

also reside in the Old North State.

Dead Souls

Since its publication in 1842, *Dead Souls* has been celebrated as a supremely realistic portrait of provincial Russian life and as a splendidly exaggerated tale; as a paean to the Russian spirit and as a remorseless satire of imperial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the

seductive illogic of Chichikov's proposition.

Drive Gently

A Memoir
*Createspace
Independent Publishing
Platform*

My father's suspicious death, perhaps at the hands of a small town sheriff's department, forced my mother to flee our hometown--Idamay, West Virginia--a few days after he died in 1954. She was told that he'd hung himself in a jail cell in Fairmont, West Virginia, where he was being held for driving while intoxicated. She was afraid they would do something to her and leave us kids

orphaned. Though we left Idamay, that town and our devastating loss followed us. My father's absence, though seldom spoken about, was "present" everywhere we turned. My mother never looked back. But when she died forty-two years later, his death came back to me in full force. I felt compelled to investigate further. I'd heard conflicting stories all my life. This book documents an investigation that yields more questions than answers for the seven-year-old survivor who has an insatiable need to know. This book is about this seven-year-old whose entire life was indelibly marked by this tragic loss that she experienced when she had just reached what is often called the age

of reason. Her quest for the truth takes her to places she'd never dreamed she could go. Because there is so much she doesn't know, she finds herself leaning heavily on her imagination to help her to navigate this mysterious and fatherless world.

The Book of Knowledge and Wonder

The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother,

Roberta Reinhardt Harvey, who committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its influence on families, and art and learning as a consolation for life's woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic father, and fights back against depression with counseling, medicine, art, and learning. Harvey charts the way, after his mother's death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way

welcomed, but the book grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the writer piecing together the story from

photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb, changed in character, becoming more diffuse and ardent, like heartache.

Dumpster Dying Oak Tree Press of Taylorville, IL

Emily Rhodes came to rural Florida for the cowboys, the cattle, and to do a little country two-step, not to fall head first onto a dead body in a dumpster. Ah, the golden years of retirement in the sunshine state. They're more like pot metal to Emily Rhodes, who

discovers the body of the county's wealthiest rancher in the Big Lake Country Club dumpster. With her close friend accused of the murder, Emily sets aside her grief at her life partner's death to find the real killer. She underestimates the obstacles rural Florida can set up for a winter visitor and runs afoul of a local judge with his own version of justice, hires a lawyer who works out of a retirement home, and flees wild fires -- hand-in-hand with the man she believes to be the killer. About the Author: Lesley retired from her life as a professor of psychology and reclaimed her country roots by moving to a small cottage in the Butternut River Valley in upstate New York. In

the winter she migrates to old Florida-cowboys, scrub palmetto, and open fields of grazing cattle, a place where spurs still jingle in the post office. In her words, "I come to the "Big Lake" to write, hang out in cowboy bars, and immerse myself in the Florida that used to be. No beaches, no bikinis, no sand. Just cows, horses, and gators."

The Power in the Book of Psalm

The Power in the

Book *Createspace Independent Publishing Platform*

It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the havens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from

here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was

put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation

before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29).

God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

Sonny Liston in a New Light

Muhammad Ali was pushing 60 when I saw him on the Today Show. Matt Lauer asked Ali what he

considered to be his greatest accomplishment in or out of the ring. - Beating Sonny Liston, - was the response. Surprised by the answer, Lauer asked the question again, putting more emphasis on the out of the ring part. -Beating Sonny Liston, - Ali said, as matter-of-factly as he did the first time. Gilbert Rogin's characterization of Liston as -the nearest piece of talent to Godzilla- was the way most boxing people felt about Sonny before and while he was champion. Angelo Dundee said Liston stood over the heavyweight division like -a colossus.- When Joe Louis said, - Nobody's gonna beat Liston 'cept old age, - there was no reason to

think otherwise. And then the impossible happened. Sonny took the biggest fall in the history of sports. In a span of fifteen months in the mid-1960's, heavyweight champion Charles -Sonny- Liston went from being unbeatable to being unmercifully seen as a pariah. Today, the memories of Liston are little more than a footnote to Muhammad Ali's career. The photograph of Ali standing over Liston has defined Sonny for half a century. It has so obscured his talent and character that people seem far more interested in knowing how Sonny died than how he lived. Sonny Liston In A New Light is a penetrating look at boxing's first super heavyweight, a man who was tagged as too

big, too black and too fierce for most of America in the 1950's and 1960's. This is the story of who Sonny Liston really was and a remarkable glimpse into who he has become. It is unlike any book you have ever read.

This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her

This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death

on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."
