The World Without US (Video 2008) - IMDb

"The World Without Us", as in the world once we are gone or as in the world that isn't within us? Either interpretation would work for this soul-searching novel about loss and connection.

Each of the main characters is dealing with a major loss.

The World Without Us by Mireille Juchau - Goodreads

The World Without Us If a virulent virus—or even the

Rapture—depopulated Earth overnight, how long before all trace of humankind vanished? That's the provocative, and occasionally puckish, question posed by Weisman (An Echo in My Blood) in this imaginative hybrid of solid science reporting and morbid speculation.

The World Without Us | Osho News

The World Without Us is a one-of-a-kind book that sweeps through time from the moment of humanity's future extinction to millions of years into the future. Drawing on interviews with experts and on real examples of places in the world that have already been abandoned by humans—Chernobyl, the Korean DMZ and an ancient Polish

forest—Weisman shows both the shocking impact we've had on our planet and how impermanent our footprint actually is.
