The Collapse Of Parenting How

In The Collapse of Parenting, internationally acclaimed author Leonard Sax argues that rising levels of obesity, depression, and anxiety among young people can be traced to parents abdicating their authority. The result is children who have no standard of right and wrong, who lack discipline, and who look to their peers and the Internet for direction.

The Collapse of Parenting: How We Hurt Our Kids When We ...

In The Collapse of Parenting, Leonard Sax, an acclaimed expert on parenting and childhood development, identifies a key problem plaguing American children, especially relative to other countries: the dramatic decline in young people's achievement and psychological health. The root of this problem, Sax contends,

lies in the transfer of authority from parents to their children, a shift that has been occurring over the last 50 years and is now impossible to ignore.

The Collapse of Parenting: How We Hurt Our Kids When We ...

The basic premise of The Collapse of Parenting is that the current culture is one of disrespect (not only toward parents, but toward teachers, peers, and basically the entire world) and that parents have very little authority in their own homes over their children.

The Collapse of Parenting: How We Hurt Our Kids When We ...

I have witnessed first-hand the collapse of American parenting. In 2001, I began visiting schools and communities, first just across the United States, and then in Australia, Canada, England, Germany, Italy, Mexico, New Zealand, Scotland, Spain, and Switzerland: meeting with teachers and parents, talking with students, listening to professors.
