The Dangerous Book for Boys Yearbook *HarperCollins UK*

Packed with historical facts, seasonal activities and space to note your own adventures, 'The Dangerous Book for Boys Yearbook' will keep men and boys busy from January to December. Stuffed with seasonal activities to do with your friends: when is conker season? Which mushrooms are poisonous and which are safe to eat? Where can I roll giant cheeses and why? What is flounder tramping and do I really want to do it? Packed with useful historical facts to impress your friends: on what day was Isambard Kingdom Brunel born? When was the land speed record last broken and by whom? When were the Crown Jewels nearly stolen and how? And, on top of Conn and Hal Iggulden's fascinating and fun facts, there is space for you to add your own notes: when did you spot your first robin this year? Do you have a top tip for building the biggest and the best snowman? And is there a piece of family wisdom that you want to remember and treasure? Written with all the verve and wit that readers of 'The Dangerous Book for Boys' have come to love, and designed in the same beautiful packaging, it is a book to treasure and to use again and again.

Nature Fun *Andrews McMeel Publishing*

James Franco *Skira*

Considered one of the finest actors of his generation, James Franco is also a multitalented writer and visual artist. Drawing from his experience in film and television work, Franco has produced a visually exciting and thought-provoking body of video works, multimedia installations, and large-scale sculptures. Drawn from the exhibition curated by Alanna Heiss and organized by the Clocktower Gallery, James Franco: The Dangerous Book Four Boys explores themes of childhood and nostalgia, games and destruction. Each experimental film, suite of drawings, and raw, childlike construction is presented as a window into the artist's mind. This dense and often diaristic survey reflects Franco's interest in the contemporary American landscape of adolescence and young adulthood.

What to Do and how to Do it

A manual of pastimes which includes instructions for making kites, fishing poles, a blow gun, boats, and theatrical costumes, and for raising dogs, stuffing animals, stocking an aquarium, and camping. Arranged by season.

The Dastardly Book for Dogs *HarperCollins UK*

From the same kennel as 'The Dangerous Book For Boys', this hilarious doggy equivalent barks one simple question: What's happened to us?

The Dangerous Book of Heroes *Harper Collins*

Conn Iggulden, co-author of the phenomenally successful *The Dangerous Book for Boys*, and David Iggulden now bring us *The Dangerous Book of Heroes*—featuring great stories of courage and adventure to thrill and inspire any reader. From George Washington to Sitting Bull to Martin Luther King to the passengers on Flight 93, here are amazing stories of heroism that parents can share with their children, or enjoy all by themselves.

Dangerous Book for Boys

The original *Dangerous Book for Boys* is an international sensation. The brainchild of brothers Conn Iggulden (bestselling author of the *Emperor and Conqueror* series) and Hal Iggulden, it brought the wonders of old-fashioned knowledge and play to life for the video game generation. Since then, boys around the world--and their fathers and grandfathers--have discovered this marvellous book, and international sales of *The Dangerous Book for Boys* and its tie-in editions have topped two million copies. Now, Canadians have an edition that reflects the traditions, geography and games of our country. It includes stories of famous battles, such as the Battle of Vimy Ridge, and features legendary Canadians such as Francis Pegahmagabow, the heroic Ojibway sniper who fought bravely in World War I. It tells the tale of coureurs de bois, the lost Franklin Expedition and escaped slave Josiah Henson. Favourite sections such as Astronomy, Fishing, Trees, Insects and Books Every Boy Should Read are filled with new Canadian information. And, of course, there's loads of hockey lore! Rediscover the adventure and fun of being young at heart with *The Dangerous Book for Boys: Canadian Edition*. *The Dangerous Book for Boys, Canadian Edition* includes

Dangerous information on * building a snow fort, quinzee or igloo
 * famous Canadian heroes * the hockey dynasty, the sport's greatest players and achievements * reading animal tracks and avoiding wild animal encounters * identifying common Canadian fish, trees and insects * paddling and portaging a canoe * interesting Canadian words, phrases and poems

The Dangerous Book for Dogs *Villard Books*

A parody of "The dangerous book for boys" provides insight into the ideal life for dogs, discussing their take on cats, describing the skills every dog should have, introducing epic dog tales, and detailing the formal rules of fetch.

Dangerous Boys *Simon and Schuster*

It all comes down to this. Oliver, Ethan, and I. Three teens venture into an abandoned lake house one night. Hours later, only two emerge from the burning wreckage. Chloe drags one Reznick brother to safety, unconscious and bleeding. The other is left to burn, dead in the fire. But which brother survives? And is his death a tragic accident? Desperate self-defense? Or murder . . .? Chloe is the only one with the answers. As the fire rages, and police and parents demand the truth, she struggles to piece the story together - a story of jealousy, twisted passion and the darkness that lurks behind even the most beautiful faces . . . Praise for *Dangerous Girls*: "The best teen thriller I've ever read." *Wondrous Reads* "I haven't wanted to talk about a book this much since *Gone Girl*" [goodreads.com](https://www.goodreads.com)

The Pocket Dangerous Book for Boys *HarperCollins UK*

If ever there was a book to make you switch off your television set, 'The Dangerous Book for Boys' was it. And now, from the same authors, comes 'The Pocket Book of Things to Do' - packed with exciting and fun things to keep you entertained all summer.

The Dangerous Book for Men *Sourcebooks Incorporated*

Imparting wisdom from many sources and offering useful but often long-neglected skills, this book helps manly men overcome whatever perils and difficulties they may face over the course of an adventurous life. Original.

Most Dangerous Book in the World *Trine Day*

In this shocking exposé, investigative researcher and author S. K. Bain reveals the truth behind the mass-murdering psychopaths responsible for the events of September 11, 2001, and reconstructs the occult-driven script for this Global Luciferian MegaRitual. As Bain uncovers, the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details the sinister nature of the defining event of the 21st century and explains the vast scope of the machinery of oppression that has been constructed around us.

The Boys' Book: How to Be the Best at Everything *Scholastic Inc.*

A spiffy guide to anything and everything a boy needs to know! How to do almost anything in one handy book. Found yourself in a sticky situation? Inside you'll learn how to escape quicksand (p. 40), build a raft (p.41), start a survival fire (p.99),

or fly a helicopter (p. 11). Want to impress your friends? Now you can rip a phonebook in half (p. 35), hypnotize a chicken (p. 56), or read their minds (p. 73). Boring Saturday afternoon? Not anymore when you find out how to make a waterbomb (p. 79), a boomerang (p. 95), or a volcano (p. 88). And loads of other keen things you need to know how to do!

For Boys Only *Macmillan*

Presents a collection of exciting trivia for boys, including information on supercars, pizza statistics, and nature's deadliest poisons, and provides tips on such subjects as fighting sharks, creating codes, and escaping.

Sneaky Book for Boys *Andrews McMeel Publishing*

Thank you, Cy . . . for opening up the world of tinkering and creativity to a whole new generation . . . looking to get their hands dirty with new and exciting projects." --NPR's Ira Flatow, host of Science Friday It's The Dangerous Book for Boys meets Worst-Case Scenario Survival Handbook via The Boy Scouts of America Handbook--with lots of other cool sneaky boy stuff mixed in. Cy Tymony's Sneaky Book for Boys picks up where The Dangerous Book for Boys left off. While The Dangerous Book for Boys includes sections on Morse code and an explanation of latitude and longitude, the Sneaky Book for Boys continues by featuring instructions on how to make and use a Morse code set, along with crafting a latitude quadrant and a longitude sextant. This clever book provides complete how-to instructions and diagrams for sneaky gadgets, survival skills, magic tricks, communication codes, and science projects. It also explores

sneaky animals and insects and recycling and conservation techniques. Specifically, sneaksters will learn about crows that crack their nuts using car tires; how to perform magic tricks with algebra; how to construct a compass and sneaky intercom; how to escape a grasp, safely start a fire (six different ways!), gather water in an emergency, and much more.

The Daily Show (The Book) *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through

years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Dangerous Book for Middle-Aged Men *Random House*

So your husband/boyfriend/partner (delete as necessary) has just tipped over 35/40/45/50 (delete as necessary) and you can see that he's not quite as keen on Emmerdale as he once was. He's started to dress with his jeans hoiked too high like his hero Jeremy Clarkson and he's bought a home gym - the one recommended by George Clooney. Then there are those Harley Davison brochures delivered in brown envelopes. You've noticed he's started pulling in his beer gut when he's talks to his teenage secretary. And why have his grey sideburns turned that brownly black? That's a sure sign of hair dye. And then you stumble into the bathroom in the morning and he's got his hands in a jar of your face cream. LADIES BEWARE! That dangerous age has arrived. It's the male menopause. The mid-life crisis. The time when suddenly you find your partner has put a whole Scalextrix track in your attic without you noticing. He's bought an electric guitar and insists on playing 'Smoke On The Water 'to the cat at all hours. It that time when no matter what you say they suddenly don't mind making a fools of themselves. They come home almost every week with a new enthusiasm. Dangerous Men

don't just cook - they COOK. With truffles, that cost £210 for one the size of a wrinkled scrotum, and have to be from the right region of France. And they must be served with a side order of blowfish, because you saw that in a James Bond DVD that came free with the Mail on Sunday.

The Double-Daring Book for Girls *Harper Collins*

The follow up to the bestselling phenomenon *The Daring Book for Girls*—an even more daring guide to everything from making a raft to learning how to play football to the art of the Japanese Tea Ceremony. In response to the resounding success of *The Daring Book for Girls* comes a second volume with all original material that promises to be full of even more daring adventure than the first. Girls will learn how to surf, horseback riding tips, April Fools Day history and pranks, how to make a labyrinth, how to sing, all about cowgirls, and how to organize a croquet tournament. Just as packed with creative and exciting material as the original, but double the fun, *The Double-Daring Book for Girls* is an adventure guidebook of stories, activities, facts, and games for daring girls everywhere.

Dangerous Boy *Penguin*

A modern-day retelling of *The Strange Case of Dr. Jekyll and Mr. Hyde* with a chilling twist Harper has never been worried about falling in love, something she is skeptical even exists. But everything changes when Logan moves to town, and to Harper's shock, the two tumble into an intense romance. It's everything she never thought she wanted. Then she meets Logan's twin brother, Caleb, who was expelled from his last school. True, he's

a bad boy, but Harper can't shake the feeling that there's something deeply sinister about him--something dangerous. When Logan starts pulling away, Harper is convinced that Caleb's shadowy past is the wedge being driven between them. But by the time she uncovers the truth, it may be too late. The author of *Prada & Prejudice*, *You Wish*, and *Ripple* delivers a modern-day retelling of a famously gothic tale, full of suspense, lies, and romance.

Tollins: Explosive Tales for Children *Harper Collins*

These are the first three stories of the Tollins. Yes, they do have wings, but no, they aren't fairies. Tollins are a lot less fragile than fairies. In fact, the word fragile can't really be used to describe them at all. They are about as fragile as a house brick. In "How to Blow Up Tollins" a fireworks factory comes to the village of Chorleywood and the Tollins find themselves being used as industrial supplies. Being blasted into the night sky or spun round on a Catherine wheel is nowhere near as much fun as it sounds. It's up to one young Tollin to save his people from becoming an ingredient. In "Sparkler and the Purple Death" our hero looks execution in the face. Luckily, the executioner's mask in backwards. Finally, in "Windbags and Dark Tollins" Tollin society faces a threat from the Dorset countryside, which, again, is much more frightening and nail-bitingly dramatic than it actually sounds.

Wizard's Hall *Open Road Media*

An inept wizard-in-training is the only one who can save his classmates from the terrible sorcery that threatens to devour

their magical school Acclaimed master fantasist Jane Yolen imagines an academic world of wonders where paintings speak, walls move, monsters are made real, and absolutely anything can happen—as she introduces readers to a hero as hapless as the legendary Merlin is powerful. It was Henry’s dear ma who decided to send him off to Wizard’s Hall to study sorcery, despite the boy’s apparent lack of magical talent. He has barely stepped through the gates of the magnificent school when he is dubbed Thornmallow (“prickly on the outside, squishy within”). Still, regardless of his penchant for turning even the simplest spell into a disaster, Thornmallow’s teachers remain kind and patient, and he soon has a cadre of loyal, loving friends. But there is something that no one is telling the boy: As the 113th student to enroll in the wondrous academy, Thornmallow has an awesome and frightening duty to fulfill—and failure will mean the destruction of Wizard’s Hall and everyone within its walls.

Drums, Girls, and Dangerous Pie *Scholastic Inc.*

From first-time novelist Jordan Sonnenblick, a brave and beautiful story that will make readers laugh and break their hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven’s world is turned upside down. He is forced to deal with his brother’s illness and his parents’ attempts to keep the family in one piece. Salted with humor and peppered with devastating realities, DRUMS, GIRLS, AND DANGEROUS PIE is a heartwarming journey through a year in the life of a family in crisis.

Please Read (if at All Possible) *Universe*

Collects photographs and letters from teenage girls asked to describe or define themselves and their world.

The Dangerous Lives of Altar Boys *University of Georgia Press*

The basis for the film starring Kieran Culkin. “Evoked with the rare, genuine sort of candor that made Holden Caulfield—and J.D. Salinger—famous.”—Vogue Set in Savannah, Georgia, in the early 1970s, this is a novel of the anarchic joy of youth and encounters with the concerns of early adulthood. Francis Doyle, Tim Sullivan, and their three closest friends are altar boys at Blessed Heart Catholic Church and eighth-grade classmates at the parish school. They are also inveterate pranksters, artistic, and unimpressed by adult authority. When Sodom vs. Gomorrah ’74, their collaborative comic book depicting Blessed Heart’s nuns and priests gleefully breaking the seventh commandment, falls into the hands of the principal, the boys, certain that their parents will be informed, conspire to create an audacious diversion. Woven into the details of the boys’ preparations for the stunt are touching, hilarious renderings of the school day routine and the initiatory rites of male adolescence, from the first serious kiss to the first serious hangover. “Fuhrman takes wicked pleasure in scraping teen innocence against the graveled, perverse underbelly of suburban childhood.”—Newsday “The freshness of Fuhrman’s novel comes from his ability to squeeze out of a time of transition universal evocations of rebellion against growing up . . . Fuhrman provides his story and characters with enough originality to keep the narrative clipping along and his reader

totally absorbed.”—Chicago Tribune “Heartbreaking yet hilarious . . . chronicles a school year in the life of narrator Francis Doyle, an eighth-grader at the parish school of the Blessed Heart . . . can be compared to many of the classic coming-of-age novels.”—Publishers Weekly

The talkSPORT Quiz Book *HarperCollins*

‘The perfect Christmas gift’ – Alan Brazil A brilliantly entertaining and hilarious quiz book from the country’s favourite sports broadcaster

Irreversible Damage *Simon and Schuster*

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES “Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts.” —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one’s biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-

affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Strega Nona *Simon and Schuster*

In this e-book edition, Tomie dePaola retells his classic story against a charming musical score. Strega Nona—“Grandma Witch”—is the source for potions, cures, magic, and comfort in her Calabrian town. Her magical ever-full pasta pot is especially intriguing to hungry Big Anthony. Big Anthony is supposed to look after her house and tend her garden, but one day, when she goes over the mountain to visit Strega Amelia, he recites the magic verse over the pasta pot, with disastrous results.

The Dangerous Book for Boys

The Dangerous Book for Boys, the runaway sensation that

captured the hearts and imaginations of men and boys everywhere, is now a fun and exciting day-to-day calendar. Each "dangerous" day brings you an action-filled game, daring activity, or inspiring trivia that is sure to fascinate and entertain. Learn how to make the greatest paper plane in the world or how to play marbles. Read all about how Morse code works and why dinosaurs became extinct. And discover astonishing facts about famous battles, astronomy, and fossils. *The Dangerous Book for Boys* 2009 is an eclectic collection of things that every adventurous and curious boy should know.* The perfect gift that is sure to appeal to "every boy from eight to eighty," from dads who spent lazy summer afternoons playing stickball and are looking to recapture those nostalgic days to younger generations of sons in search of new adventures."

Wolf Boys *Simon and Schuster*

The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel: Los Zetas. Friends from his childhood join him and

eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In *Wolf Boys*, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, *Wolf Boys* is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

The Most Dangerous Book Ever Published *Korsgaard Publishing*

In seventy-eight essays, seven prominent social critics question everything. This thought-provoking and empowering, even "criminal," anthology is a major challenge to the establishment, the ruling oligarchy, or whatever we choose to call the deep state, central planners, and mega-criminals who set and control global narratives. Readers are presented with an array of "forbidden" subjects and in-debt analyses that pull the rug underneath the elite and expose the lies that constitute the matrix.

Dangerous Book for Boys 2 *William Morrow*

The *Dangerous Book for Boys* took readers by storm and became an instant classic, selling nearly two million copies. Packed with

charming illustrations, it is a treasure trove of the essential activities and skills that have defined generations of boyhoods, from building a treehouse to fishing to finding true north. Now, Conn Iggulden returns with more information, insights, and diversions for boys from eight to eighty. Designed with the same nostalgic look and feel as the first book, this companion volume includes more than seventy new chapters and important skills, fascinating historical information, and essential stories, including: How to pick a padlock Making a Flying Machine Tying a Windsor Knot Advice from Fighting Men Questions About the Law Chess Openings Making Perfume Maps of Historic Empires: British, Ottoman, Genghis, Persian, Medes, Babylonian, Alexander Great Speeches Forgotten Explorers How to Wire a Plug and Make a lamp Writing a Thank You Letter Polishing Shoes Parents looking to get their kids off screens can use this book to fill weekend afternoons and summer days with wonder, excitement, adventure, and fun—learn to build go-carts and electromagnets, identify insects and spiders, and fly the world's best paper

airplanes. This charming and practical guide, packed with hundreds of full-color charts, maps, diagrams, and illustrations, will ignite the imagination and stimulate curiosity, and provide grandfathers, fathers, sons, and brothers the opportunity to deepen their bonds. Conn Iggulden has at last put together a second wonderful collection that is the essence of boyhood.

Dangerous

The liberal media machine did everything they could to keep this book out of your hands. Now, finally, Dangerous, the most controversial book of the decade, is tearing down safe spaces everywhere.

The Dangerous Book for Boys: Thing to Do

Jongensboekachtige uitgave met doe-dingen als: een boomhut bouwen, leren pokeren, pijl en boog maken, maar ook geheime codes en eerste hulp. Met illustraties in kleur en zwart-wit. Vanaf ca. 12 jaar.
