Boudoir Photography: The Complete Guide to Shooting ...

Boudoir photography is a new trend that has grown to be quite popular in recent years. But the style itself has been around since the 1940s. When

it comes to boudoir photography poses, they offer a sensual, intimate look at a person. The photos focus on their mood, their clothing, and the landscape of their body.

Boudoir Photography is inherently cheesy. I'll be honest - there IS a lot of cheesy boudoir photography out there. A lot of boudoir photography of the past bordered on "glamour shots" done in a mall, and some of it remains that way...

but it need not be that way!
