Many of these "video nasties" were low-budget horror films produced in Italy and the United States. The furore created by the response to video nasties led to the

introduction of the Video Recordings Act 1984 which imposed a stricter code of censorship on videos than was required for cinema release.

Video Nasties, The Complete 72 Banned Titles List with ...

Video nasty is a colloquial term in the United Kingdom to refer to a number of films, typically low-budget horror and exploitation films, distributed on video cassette that were criticised for their violent content by the press, social commentators and various religious organisations. The term was popularised by the National Viewers' and Listeners' Association (NVALA) in the UK in the early 1980s.

Video nasty - Wikipedia

The UK film industry has encountered countless censorship controversies over the years. Some date as far back as 1925 and they continue well into the 21 st Century. Considering that the definition of censorship is to suppress speech that is obscene, politically unacceptable or a threat to security, this raises considerable questions for freedom of speech.

Video Nasties: Moral Panic, Censorship and Videotape ...

Censorship was far more rampant in the 1980's, especially in

the U.K., which has a much more volatile history when it comes to free speech. The list of banned "video nasties" is now semi-legendary in the history of horror films, which (ironically) was probably the opposite effect intended by those seeking to ban the films.

Video Nasties: Censorship Then and Now

Video Nasties is also interesting because it reveals details that even devoted followers of this saga might not know. For instance, the video nasties list was not the creation of the BBFC: despite that long-standing rumor, the list was created by law enforcement well before the BBFC was involved.
