Grand Strategies In War And

Historically, discussion of "grand strategy" was discussion of the operation of a war. In this interesting book from 1991, author and historian Paul M. Kennedy tries to broaden the definition of grand strategy to include the husbanding of national resources to support a war effort (even before a war actually begins), the use of economic and diplomatic weapons against an opponent, and the ...

Grand Strategies in War and Peace by Paul Kennedy

Grand strategy or high strategy is the long-term strategy pursued at the highest levels by a nation to further its interests. Issues of grand strategy typically include the choice of primary versus secondary theaters in war, distribution of resources among the various services, the general types of armaments manufacturing to favor, and which international alliances best suit national goals.

10+ Grand Strategy In The War Against Terrorism

The book concludes
with reflections by
Kennedy on American
grand strategy today

and in the future. He argues that America must avoid nuclear war, create armed forces flexible enough to deal with a variety of possible fighting contingencies, preserve its alliance system, and institute serious measures to reverse the economic and social trends that have weakened its preeminent position in the world.

Grand Strategies in War and Peace: Kennedy, Professor Paul ...

Grand strategy is a phrase that evokes instant and easy associations. The term immediately evokes a cast of historical actors and events:

Thucydides and The Peloponnesian War, Bismarck's Realpolitik, or the Grand Alliance

of World War II.

Defining and Teaching Grand Strategy - Foreign Policy ...

The history of American strategic decision making before and during the Second World War is a clear example of first-rate strategy transforming the great power status of a state. In 1935, with United States in the throes of the Depression, the nation's rise to superpower status seemed unlikely. Congress reflected the public's deeply isolationist mood, enacting the first of a series of Neutrality Acts intended to keep the nation out of another European conflict.
