Whether you're looking to expand your horizons or carry out research study, our uncomplicated and totally free solution is here to sustain you every step of the method.

Voices of Freedom

A Documentary History

Voices of Freedom: A Documentary History is the only reader with a thematic focus on American freedom in its many dimensions. The organization of this compact, unintimidating collection of primary source documents mirrors that of the enormously successful Give Me Liberty! family of U.S. survey texts, and has been fully updated to match the Fifth Edition. Affordable and an exceptional value when packaged with Give Me Liberty!, Voices of Freedom is now available for the first time in an alternative ebook format.

Voices of Freedom

A Documentary History *W W Norton & Company Incorporated*

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

Voices of Freedom

Give Me Liberty!, 6e Brief Volume 2 with Media Access Registration Card + Voices of Freedom, 6e Volume 2

Voices of Freedom

An Oral History of the Civil Rights Movement from the 1950s Through the 1980s *Bantam*

"A vast choral pageant that recounts the momentous work of the civil rights struggle."—The New York Times Book Review A monumental volume drawing upon nearly one thousand interviews with civil rights activists, politicians, reporters, Justice Department officials, and others, weaving a fascinating narrative of the civil rights movement told by the people who lived it Join brave and terrified youngsters walking through a jeering mob and up the steps of Central High School in Little Rock. Listen to the vivid voices of the ordinary people who manned the barricades, the laborers, the students, the housewives without whom there would have been no civil rights movements at all. In this remarkable oral history, Henry Hampton, creator and executive producer of the acclaimed PBS series Eyes on the Prize, and Steve Fayer, series writer, bring to life the country's great struggle for civil rights as no conventional narrative can. You will hear the voices of those who defied the blackjacks, who went to jail, who witnessed and policed the movement; of those who stood for and against it—voices from the heart of America.

My Bondage and My Freedom *Greenbooks editore*

My Bondage and My Freedom is an autobiographical slave narrative written by Frederick Douglass and published in 1855. It is the second of three autobiographies written by Douglass, and is mainly an expansion of his first, Narrative of the Life of Frederick Douglass, an American Slave. The book depicts in greater detail his transition from bondage to liberty. Following this liberation, Douglass, went on to become a prominent abolitionist, speaker, author, and advocate for women's rights.

Give Me Liberty!, 6e Volume 2 with Media Access Registration Card + Voices of Freedom, 6e Volume 2

Treatise on the Right of Personal Liberty, and on the Writ of Habeas Corpus and the Practice Connected with it

With a View of the Law of Extradition of Fugitives

Freedom's Captives

Slavery and Gradual Emancipation on the Colombian Black Pacific *Cambridge University Press*

Freedom's Captives offers a compelling, narrative-driven history of the gradual abolition of slavery in the majority-black Colombian Pacific.

Why American History Is Not What They Say *Ludwig von Mises Institute*

Give Me Liberty! and Voices of Freedom *W. W. Norton*

The leading text in the U.S. survey course.

Encounter

Receive Christ's Freedom *Joel Comiskey*

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.

Your Choice, Your Voice, Our Future

An Application for Maine's Governorship 2018 *Createspace Independent Publishing Platform*

Your Choice, Your Voice, Our Future What I am offering Maine is nothing like what others who have run for this position have offered. I have never wanted someone to be my voice, and I do not offer to be yours. I am using this opportunity to shine light on the system that creates a stage for elites and keeps everyone else from having a voice. I am running for Governor of Maine to educate, and if we win, I am smashing the stage so everyone may have their voice heard equally. Our system is disenfranchising, falsely binary, oppressive, and fraught with contention and slavery. We can rise

against this or we can continue on the same path. It has been the result of the American system that generation after generation left this nation (and the world) freer and more prosperous than the last. We cast off race-based slavery, we have destroyed the notion that one gender should rule while the other obeys, we had built a nation of rights and freedom... but, we have backslidden. Our nation is not better off than it was a generation ago. We are in unprecedented debt, have resurfaced racism and sexism, we have instilled a class warfare, and we are being oppressed by fascism and authoritarians. Generation X and Millennials have less opportunity, less ability to grow and flourish, and less unity than our grandparents. We have been slowly taken over by a rotting infestation of cronies, puppet masters, propogandists, and dictators. As our nations becomes more centralized, Maine can stand in opposition. We have an opportunity to demonstrate what America has lost. Maine has strong educators, doctors, nurses, social workers, counselors, laborers of all types, and most respectably, we have strong work and moral ethics. Our State has diversity and a will to surpass obstacles and be reveled across the nation and world. We need the will to see an opportunity through the despair. By continuing what we do best, by growing rather than contracting, by embracing innovation and adaptation rather than antiquity and failed ideas, we can guide America back to prosperity. Maine can be the economic engine of tomorrow's America. Through this book, we have covered Education, Healthcare, ideological spectrums, Corrections, Rehabilitation, Culture, Community, politics, Economics, Energy, business, debt, governance, and a slew of other topics. Through this journey, we have delved into what keeps us from growth, how we can overcome oppressing obstruction, and what we could do to drop the shackles and pick up prosperous freedom. Reaching a better future for everyone takes change. Change is not always easy; change is often coupled with fear. We need not fear the future and change when we can be so positively impacted. When we decide to swallow our fear and move toward a better future, we will be unstoppable. I am applying for a job: the executive position of our State of Maine. This is your choice, your voice, our future. Richard Lee Light

Self Publishing Freedom

Welcome to the Amazing World of Print Book Publishing *Createspace Independent Publishing Platform*

The aim of this book is to unleash the process of Print Book Publishing to those who are having interest. I will expose the secret of the Print Book Publishing world to you, so you can know and grab the opportunities and the benefits it has to offer. It is a step by step guideline to publish your Physical Hardcopy Book. The information here-in will aid you to start publishing your Print Books immediately (right away) in no time, with no delay. You will jump start unleashing hundreds of thousands of millions (if possible) of your own personal written books (Print Books) immediately across the globe. This Guide will give you step by step instructions to follow, and the best practices to observe. If you can follow strictly, every advice and step in this great and wonderful book, you are on your way to unleash and publish your very first successful book (Print Book) that will shake the entire world and publish (pronounce) your name globally. Not only that, you are just strictly on your way to becoming a Top Notch Author (Writer) on earth.

Beneath Freedom's Wing

A Novel Based on the True Story of Bridgton, Maine's Role in the Underground Railroad and the Abolition Movement.

When Joseph and Phebe Fessenden came to the peaceful village of South Bridgton, Maine to serve the newly founded Congregational church in 1829, they soon found themselves embroiled in controversy over the abolition of slavery and the evils of "demon rum." Tempers ran high and Parson Joe often found himself running counter to public opinion. Mobs threatened him with tar and feathers, cannonballs, and kidnapping. Still, he stood tall and fought tirelessly for the rights of all those who lived in chains beneath freedom's wing.

5 Easy Steps to Financial Freedom

Do What You Love and Get Rich Doing It *CEOeBooks*

Book Praise & Reviews ""As a how-to guide, this book contains everything you may need to know to turn your passions into profits."" Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says entrepreneur Duane Harden in his wise and entertaining new book, 5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It. Turning your passion into a profitable business is easy, fast, and fun, says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the inspiration you need to go out and do the concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, 5 Easy Steps to Financial Freedom also offers a 90-day action plan that includes blueprints for success that Harden himself used to build his wealth. His own journey included the purchase of numerous real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He explains how the real difference between rich people and poor people is fear and an unwillingness to keep an open mind to new opportunities. Rich people are not afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the money will miraculously follow. Keep daily positive reminders taped where you can see them, or even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right frame of mind for moving on to something much better. "You are what you think and will become what you dream," says Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. 5 Easy Steps to Financial Freedom shows you how go from rags to riches and is understandable and easy to read.

This invaluable guide will change your life!

Aquarian *MM Books*

Killian knows all about vampires and aliens. They’re not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid’s tale... Before the summer is through, Killian will find the truth of her family’s past...and the role she is destined to play in a centuries-old curse.

On Liberty and the Subjection of Women *Penguin UK*

A prodigiously brilliant thinker who sharply challenged the beliefs of his age, the political and social radical John Stuart Mill was the most influential English-speaking philosopher of the nineteenth century. Regarded as one of the sacred texts of liberalism, his great work On Liberty argues lucidly that any democracy risks becoming a 'tyranny of opinion' in which minority views are suppressed if they do not conform with those of the majority. Written in the same period as On Liberty, shortly after the death of Mill's beloved wife and fellow-thinker Harriet, The Subjection of Women stresses the importance of equality for the sexes. Together, the works provide a fascinating testimony to the hopes and anxieties of mid-Victorian England, and offer a compelling consideration of what it truly means to be free.

The Natural History of Chocolate

Book Excerpt: urescit, Benzo memorante. Carol. Cluzio, l. c. Annuo justam attingens Maturitatem Spatio. Franc. Hernandez, apud Anton. Rech. In Hist. Ind. Occidental, lib. 5. c. 1.[d] It seems likely that the Spanish Authors who say there are four Kinds of this at Mexico, have no better Foundation for the difference than this; and Mons. Tournefort had reason to say after Father Plumier, that he only knew one Kind of this Tree. Cacao Speciem Unicam novi. Append. Rei Herb. pag. 660.[e] A new Voyage round the World. Tom. 1. Tom. 1. Part 2. Ch. 19.[h] A curious Discourse upon Chocolate, by Ant. Colmenero de Cedesma, Physician and Chirurgion at Paris 1643.Read More

Divine Vengeance

Book 2, Trial of Fire Trilogy *Createspace Independent Publishing Platform*

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

Listening to the Voice

How to Hear His Voice

Do you want to hear God's voice more clearly?Through testimonies, bible studies, and exercises Dr Martin Powell demonstrates a life led by the Holy Spirit.Testimonies - providing encouragement and practical insights into listening to God.And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death. (Rev 12:11 NKJ)Bible Studies - Impactful studies of God's Word, focussing on the heroes of the Bible who found success by listening to the Voice of God.Exercises - simple steps to learn and grow in the intimacy of hearing 'His Voice'.

The Passover Story

A Festival of Freedom and Liberty *CreateSpace*

On Passover, Jews everywhere celebrate the redemption of the Israelites from Egyptian slavery. Moses, the leader of the Israelites, was empowered and commanded by God to demand that Pharaoh, the Egyptian ruler, let the Jewish people go. Pharaoh refused at first but then... "The Passover Story: A Festival of Freedom and Liberty" relates the unfolding of the events in ancient Egypt in lovely rhymes accompanied by gorgeous illustrations.

Death of a Dream

History of Cuba Elusive Quest for Freedom *Createspace Independent Publishing Platform*

"Death of a Dream" is a remarkable scholarship book in which Roig searched and described with lucidity, the historical events and collective behavior of the Cubans. The book twenty one chapters are explicitly historical, strongly analytical, concisely written and closely argued; the result is a brilliant narrative that spanned over five centuries of Cuba's history. This encyclopedic telling is a fast moving and fascinating and much needed, relatively unbiased account of Cuba's promise as a sovereign nation. Mary DeLorse Coleman, PhD Executive Director, Afro Cuban Research Institute, Jackson State University This panoramic study of Cuban history from Columbus to the Castro revolution is beautifully told. Pedro Roig unmaskes many of the myths of the Castro brothers' dictatorship while placing them in the much larger and more appealing context. This is a balanced, objective, and eminently readable account. Brian Latel is Senior Research Associate, Institute for Cuban and Cuban American Studies, University of Miami and author of After Fidel: Raul Castro and the Future of Cuba's Revolution. Roig 's "Death of a Dream" is a brilliant history of Cuba written with grace and precision. A vigorous narrative with a deep insight into the mores, values and psychology of the Cuban nation. The essential political facts are all there. An exceptionally good book. Carlos Alberto Montaner Author, Journalist and Historian Roig takes us on a captivating journey through Cuba's history from the days of King Ferdinand and Isabella to the Castro regime. At a time when the end seems to be approaching for Cuba's oppressive government, this book explains much of the hardships of the Cuban people. Newt Gingrich Historian and Speaker of the U.S. House of Representative. (1995-1999) "Death of a Dream" is an extraordinary book that provides much insight into the values, psychology and behavior of the Cuban people. For those interested in understanding what happened in Cuba, Pedro Roig's book is a must. Jaime Suchlicki Emilio Bacardi Moreau Professor of History, University of Miami

Snow Buster *CreateSpace*

For ages 3 to 5 years. With the city blanketed in a deep snow, Ryan's dad is worried about how he will get to work. However, four year old, Ryan, knows just what to do. With the help of his snow blower, snowplow, dump truck, front loader, and a train, he clears the streets so that his dad can safely get to work.

In Defense of Freedom

Why Free Market and Capitalism Work

Written by a 15 YEARS OLD..."When I met Alvaro Martin I was amazed at how such a young talent could have the talent, commitment and the clarity of ideas that he displays in this excellent book. It is rare to find someone that, as such a young age, has such a profound understanding of important economic matters, and his precise argumentation in the much-needed task of debunking the interventionist agenda. Alvaro Martin, with his articles and this book, has created a body of work that is impressive for any expert, let alone for someone who is still in college. But he must persevere. The future is going to be very difficult. It is not "cool" or "sexy" to defend freedom. And he, like many others, will be criticized as anti-social. So, my dear Alvaro, the battle has just begun. Do not forget it."- Daniel Lacalle.Globalization and market freedom have been proved to be the best weapons in war against poverty and in search of economic growth. Globalization has not only helped with economic growth in developed countries, but much wider it has helped to promote employment and social development in emerging economies, breaking up the usual leftist argument against multinationals and market freedom. To me, Globalization has been the clearest example of market freedom and the development of libertarian ideas in the last century. Throughout this book, we will try to draw a detailed analysis of the different points and sectors where implementing market freedom policies is essential for growth and individual liberty, starting with a clear example of the route all nations should follow towards freedom, and which has demonstrated why capitalism works. The miracle of Globalization. In Defense of Freedom.

Gone to America *Createspace Independent Pub*

This is a memoir presented in an anthological - like format; in other words, a collection of short stories, on the life of the author. It starts when he was growing up in the Philippine countryside of Ilocos Sur province. Just like a normal kid, he played with his friends, did crazy things, went to school and moved to Manila, for his college education. He got married while in fifth year college, but still graduated on time. This book relates his struggles, failures, as well as successes, including his coming to America. Searching for the American Dream was no picnic either, but with perseverance, he achieved some of them in modest ways. Foreigners planning to immigrate to the great ol' USA could get glimpses, on what it takes, to come and live in America.

Voices of Hope for Mental Illness

Not Against, With *Createspace Independent Publishing Platform*

We hear about inadequate mental health care. We ask questions regarding a link between mental illness and violence. We do NOT hear as much about the stigma of mental illness that complicates one's ability to cope with a diagnosis that becomes a label, resulting in "self-stigma,"discouraging individuals from seeking and/or complying with treatment. Too often community members only "experience" mental illness through dramatic or dire media stories that fail to inform us about the real world of mental illness. Thus, stigma feeds, and is fed by, myths and misunderstandings leading to a community sense of hopelessness and fear of mental illness. In contrast, Geel, a stigma-free community in Belgium, has a centuries' old history of accepting those with mental illness - even as boarders in their own homes. Geel acknowledges the human needs of those with mental illness and responds to those needs by providing social opportunities and meaningful work, within the community While the U.S. does not have the same history as Geel, we do have programs that offer a fostering environment, offering hope for those with a diagnosis of mental illness as well as for the communities in which they live. In a language and style that can be understood by anyone and everyone, the author shares what she's learned and experienced regarding tolerance and inclusion - in Geel and in our own country - offering individuals and communities an opportunity to hear the encouraging "voices of hope for mental illness." When the general population is freed of myths and misunderstandings regarding mental illness, we can focus on mental health fostered by community care that thrives in "caring communities."

Productivity Secrets

More Time. More Money. More Freedom *CreateSpace*

Productivity Secrets: More time. More money. More freedom. No matter what kind of job you'll be happier, healthier and wealthier if you are more productive! If you're stuck in a rut of being unproductive and getting as much done as you know you can I have good news...you do not have to "go with the flow" or stick it out. So now you can get my "productivity secrets" for just a fraction of the cost. Get started today!

The Liberty Girl *Createspace Independent Publishing Platform*

"Oh, Nathalie, I do believe there's Grace Tyson in her new motor-car," exclaimed Helen Dame, suddenly laying her hand on her companion's arm as the two girls were about to cross Main Street, the wide, tree-lined thoroughfare of the old-fashioned town of Westport, Long Island. Nathalie Page halted, and, swinging about, peered intently at the brown-uniformed figure of a young girl seated at the steering-wheel of an automobile, which was speeding quickly towards them.

Liberate Yourself!

A Guide to Personal Libeartion *Chris Kent*

The legendary Bruce Lee was one of the most influential martial artists of the 20th Century. But Lee's physical abilities were only the tip of the iceberg. Besides being one of the world's top martial artists and cinematic superstar, Bruce Lee was also a philosopher and one of the original champions of self-help and human achievement. As Lee evolved his revolutionary, "non-restrictive" approach to martial art training and combat, he simultaneously evolved a unique, non-restrictive philosophy toward life and living. Built around the same fundamental principles he applied to his martial art, the central theme of this philosophy is "personal liberation" -- liberation of body, mind, and spirit through greater self-knowledge. Here, for the first time, are the fundamental tenets of Lee's

philosophy of self-actualization and personal liberation taken out of the martial arts arena and put into the arena of daily living. A ground-breaking guide, LIBERATE YOURSELF doesn't offer you a set, rigid, one-size-fits-all philosophy, but rather a fluid set of operating principles you can use to cultivate a flexible, highly adaptable attitude toward living life to its fullest, develop the skills and confidence required to free yourself from the chains of limitation, whether of physical or psychological origin, and raise your living to the level of an art form. LIBERATE YOURSELF can help you: - Become more at ease with yourself and the world around you - Take charge of your attitude and fully realize your innate potential in all aspects of your life - Adapt to and deal effectively with whatever situation you find yourself in - Break down barriers and overcome obstacles that keep you from achieving your goals and enjoying success

Heading West & Moving on

A Story of American Emigration: Eads-Tipton Family History and Genealogy *CreateSpace*

With ancestral surnames that date to the first millennium A.D. in England and the Colonial era in the U.S.A., these Eads and Tipton families have been emigrating from the earliest times. Their tales of travel include a heroic knight in a Welsh forest, a kidnapped boy sold into servitude who became a plantation owner in Jamaica, farmers who emigrated from Maryland and North Carolina west to Ohio and Tennessee, and homesteaders in Illinois and Missouri with land grants from the government. Other interesting stories include a link to the Jesse James Gang and a U.S. President, and war veterans from the Civil War to WWII. Biographies of fifteen turn-of-the-century babies (born around 1900) and four Tipton siblings (born in the early 20th century just before the Great Depression) complete this saga of American life as it unfolded over the centuries. Photographs, maps, documents, and a Proper Name Index will aid the genealogical researcher in finding their own roots. Also included are Ancestors and Descendants charts with numerous surnames, including: Allen, Atnip, Barker, Barrett, Bennett, Bishop, Campbell, Canning, Chiles, Coffel, Collins, Croney, Dees, Eads, Gentry, Hache, Harden, Heath, Johnson, Jones, Leach, London, Long, Machen, Masters, Meador, Miller, Montgomery, Neece, Rainwater, Smith, Sutton, Tipton, Vannoy, Ward, White, Wright, and many others.

Voice for the Silent Fathers

A Memoir *Wright Group, LLC*

Eddie K. Wrights memoir detailing the controversial experience of being the young father of a son who would grow up to be the gayest man on the planet! His "NO SON OF MINE!!" street gangster mentality evolves during his difficult life journey coming to realize that his responsibility as a loving father didn't change just because his son is gay. The book is scheduled for publication on June 1, 2016. In his first memoir, Eddie shares his story of becoming a father at 18 years old who realized his son was showing 'stereotypical' signs of being gay while still in diapers. Spending most of his adult life engulfed in the street gangster/hip hop culture where this subject was not only hushed, but deeply frowned upon, he gives us the voice for what's been kept silent for far too long, confronting almost every aspect of this taboo topic. It took years for him to silently accept his son's homosexuality himself, regardless of all the signs. When his son was five years old, his favorite color was pink and there was nothing Dad could do about it. By the age of fourteen; he was an internet sensation, dancing on YouTube building his fan base to guarantee his success when performing as a drag queen a few years later. Eddie addresses the questions most are scared to ask; Was there anything I could do to stop my son's homosexuality? When did I know my son was gay? What made him that way? Parents will find comfort in reading that Eddie admits that his son's feminine behaviors embarrassed him and he seriously contemplated abandonment, a choice that too many fathers feel they have to choose.

Good Vibrations

Overcoming Spasmodic Dysphonia *Every Word Publishing*

Good Vibrations is my story of how I had my voice restored to functional use. It is a step by step account of the exercises I did, and the fears I encountered. It also contains email correspondence of two people who were diagnosed with SD and I instructed each of them in the exercises by email with their voices being improved.

Voices of Freedom

A Documentary History *W. W. Norton*

Little Blue Planet

World of Wonders *Createspace Independent Publishing Platform*

Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

Wings of Hope

The Veil Series Prequel *Pippa DaCosta*

"I am his muse. But not for long..." When Mammon, the Prince of Greed, 'acquires' a half-blood slave known as 'Muse' for three nights, and bespells her with tales of a world where people live like kings and queens among towers of steel and glass, the seed of hope takes root in Muse's soul. But hope, for a half-human half-demon creature like her, is a dangerous thing. Especially when that tentative hope springs from the honeyed words of a Prince of Hell. What is Mammon's price for freedom? Meanwhile Da'mean, her ruthless owner, would rather see her dead, than free. She belongs to him. She is his muse. And no beast will take her from him. The netherworld is harsh and violent. Muse's demon kin are merciless, blood-hungry beasts, but little do they know, Muse has something far more dangerous coiled inside her, desperate for a taste of freedom. Her humanity. Reader Note: This prequel is a short story (approx 90 mins read time). It can be read as a stand alone piece, or at any time during, prior to, or after reading any of the novel-length books in The Veil Series without spoilers. WARNING: Wings Of Hope contains some graphic scenes that some readers may find distressing. Genre: Dark Fantasy Recommended for 18+
