Soul Keeping

Caring For the Most Important Part of You *Zondervan*

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-directing, fragile, indestructible, controversial, expensive dimension of your existence. Jesus said it's worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won't be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.

Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. Past Imperfect

French Intellectuals, 1944-1956 *Univ of California Press*

The uniquely prominent role of French intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of fashionable "Existentialist" personalities such as Jean-Paul Sartre,

Albert Camus, and Simone de Beauvoir to include a wide intellectual community of Catholic philosophers, non-aligned journalists, literary critics and poets, Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.

Brecken Kane had been damn good at his job in the military. The experience served him well when he moved into the private sector. Brecken's new security business is booming, and he's settling into civilian life. Little does he know his newest client's request to save his daughter will change everything. Hadley Gresham knows she isn't likely to make it out of the jungle alive. She'd distanced herself from her parents after she learned her dad made his money selling illegal arms. Kidnapped by his competitors, she knows there's little chance he'll be able to save her. Luckily for Hadley, her father hires Brecken. He'd never leave an innocent woman behind, let alone the one he quickly comes to consider his. Brecken might be Hadley's rescuer, but she's the

one who saves his soul. Warning: This book has an alpha hero who races to the rescue of the virgin heroine. If you like insta-love and hot sex in the steamy jungle, then this story is for you! Please note: This is the second novella in the Body & Soul series, but it can be read as a standalone. Each book in the series features a different couple.

Seeds Planted in Concrete

Through illustration and poetry, *Seeds Planted in Concrete* is Bianca Sparacino's raw testament to the beauty that is found within the contrasts of life. By writing truthfully about the intricacies of both love and loss, Sparacino's first collection of work is one that will speak to the very depths of those who read it, inspiring a will to love, and live. This collection is a manifesto of the journey every human being takes throughout their life; an assembly of words that celebrates the resilience of the human heart through stages of hurting, feeling, healing and loving.

Walk Two Moons *Harper Collins*

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.
