Bourn Windmill is one of the oldest windmills in England and is designated as an Ancient Monument. From August 2020 Bourn Windmill is closed to the public as we attempt to save it from collapse and restore it to working order. You can still view the mill from nearby. Perched in lovely countryside to the west of Cambridge it is owned and cared for by local charity Cambridge Past, Present & Future, who need your help to support the opening and care of the mill.

Windmills at Windmill World

The use of water power in Britain was at its peak just before the Industrial Revolution. The need for power was great and steam power had not yet become established. It is estimated that at this time there were well in excess of ten thousand watermills in the country. Most of these were corn mills (to grind flour), but almost any industrial process needing motive power, beyond that available ...
