Born on Third Base

A One Percenter Makes the Case for Tackling Inequality, Bringing Wealth Home, and Committing to the Common Good *Chelsea Green Publishing*
As inequality grabs headlines, steals the show in presidential debates, and drives deep divides between the haves and have nots in America, class war brews. On one side, the wealthy wield power and advantage, wittingly or not, to keep the system operating in their favor--all while retreating into enclaves that separate them further and further from the poor and working class. On the other side, those who find it increasingly difficult to keep up or get ahead lash out--waging a rhetorical war against the rich and letting anger and resentment, however justifiable, keep us from seeing new potential solutions. But can we suspend both class wars long enough to consider a new way forward? Is it really good for anyone that most of society's wealth is pooling at the very top of the wealth ladder? Does anyone, including the one percent, really want to live in a society plagued by economic apartheid? It is time to think differently, says longtime inequality expert and activist Chuck Collins. Born into the one percent, Collins gave away his inheritance at 26 and spent the next three decades mobilizing against inequality. He uses his perspective from both sides of the divide to deliver a new narrative. Collins calls for a ceasefire and invites the wealthy to come back home, investing themselves and their wealth in struggling communities. And he asks the non-wealthy to build alliances with the one percent and others at the top of the wealth ladder. Stories told along the way explore the roots of advantage, show how taxpayers subsidize the wealthy, and reveal how charity, used incorrectly, can actually reinforce extreme inequality. Readers meet pioneers who are crossing the divide to work together in new ways, including residents in the author's own Boston-area neighborhood who have launched some of the most interesting community transition efforts in the nation. In the end, Collins's national and local solutions not only challenge inequality but also respond to climate change and offer an unexpected, fresh take on one of our most intransigent problems.

101 Conversations in Simple English
Improve your spoken English from home with 101 real-world conversations in simple, everyday English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. Do you have problems with phrasal verbs? Don't panic! You're not alone. Many English learners find phrasal verbs difficult to remember. The secret to learning phrasal verbs is to use them in daily conversation, not just memorize them for grammar tests! This book contains over 450 everyday conversations and more than 200 exercises which will show you how to really use phrasal verbs like a native speaker. For free phrasal verb lists, examples and exercises please take a look at my website, www.phrasalverbsexamples.com I hope you enjoy using this book. Dan Shepherd BSc MSc

ESL Speaking Activities

The Ultimate Book for Busy English Teachers. Intermediate to Advanced Conversation Book for Adults: Teaching English as a Second Language Book 1

About this ESL conversation book for adults: ESL speaking activities for busy teachersMake your TEFL lesson planning easier"ESL Speaking Activities: The Ultimate Book for Busy English Teachers. Intermediate to Advanced Conversation Book for Adults" is jam-packed full of speaking cards, worksheets and conversation cards to whip out whenever you want and make your TEFL lesson plans instantly easier. It includes 100+ instant games & activities for Teaching English as a Second or Foreign Language Online & Offline. Speaking is often the most intimidating part of English for many students, and it can be daunting as a teacher, when your students won't speak in class out of shyness or reluctance. This conversation book for adults will give you the tools needed to get students speaking, which will make your classes both more enjoyable and more productive! In the Phrasal Verbs section of this book, you'll find grammar and vocabulary hand-outs before each set of speaking questions. You can do some of these handouts in class, or you can set them as homework if you prefer. They are ideal for preparing students for exams such as the Cambridge Business English exams, and other Cambridge exams like First Certificate and Advanced CAE, as well as IELTS and TOEFL. All the worksheets and ESL conversation cards can be photocopied and used in the classroom and can be adapted to classroom games and warmers.
