Share This Too More Social

Share This Too is the second in a series published by Wiley, the first of which, *Share This: The Social Media Handbook for Public Relations Professionals*, was written by 24 PR practitioners in 2012. *Share This Too* has been written by 30 similar experts and is a bigger book, claiming to be a practical book for anyone working in communications and PR.

Share This Too: More Social Media Solutions for PR ...

The book covered the media and public relations industry, planning, social networks, online media relations, monitoring and measurement, skills, industry change and the future of the industry. *Share This Too* is also a pragmatic guide for anyone that wants to continue working in public relations. It is a larger book with more than 30 contributors, including all of those from the highly successful first book and many of whom are successful authors in their own right.

How to Be More Social Tip: Focus on one social goal and stick to it. Step #3: Be More Outgoing. Introverts can still honor their natural introversion while optimizing outgoing traits. I want you to be strategically outgoing. The biggest mistake people make when they want to be more social is they start with interactions that mean too much to them.

How to Be More Social in 10 Steps... Even as an Introvert

Social Media Tips #7 – Share and get shared. Okay this one is pretty straight forward. If you want people to share your stuff then you will want to reciprocate and share their stuff too. It's kind of like Karma...you get back what you put out. So there you go that's strategy #7. Simple yet effective. Social Media Tips #8 – Do Share ...

Social Media Tips - How To Get More People To Share ...

The best tool for getting a higher social share count isn't a tool at all. Instead, it all comes down to producing high quality, in-depth content that will set the social share button on fire. When you create better content than your competitors, it won't be long before your social sharing results begin to pick up.

The 9 Best Tools for Getting More Social Shares

Hide social share counts until they're above a certain number. A bunch of social sharing plugins have this feature, but not many. For example, Social Snap has the option to hide total & individual social share counts while revealing the count once it's above a certain number. Want to learn more about how to use social proof?
