All controls for Piano In Blue are accessed from one, pleasantly retro-looking interface. The most important of these allow you to enable and adjust the relative levels of the three different mic positions - two Neumann M49s near the lid of the piano, two B&K 4007s at its tail and two Sennheiser MKH20s at a distance.

Piano V brings you all the expressive qualities you love that got you into playing piano in the first place. Instead of using stacks of samples, we modeled nine different awesome pianos at the granular level of their physical qualities to deliver the realism you demand—and across a wide choice of piano flavors to fit in any song or mix.
