Bad Behavior

Stories *Simon and Schuster*

A trade paperback reissue of National Book Award finalist Mary Gaitskill's debut collection, *Bad Behavior*—powerful stories about dislocation, longing, and desire which depict a disenchanting and rebellious urban fringe generation that

is searching for human connection. • Now a classic: *Bad Behavior* made critical waves when it first published, heralding Gaitskill's arrival on the literary scene and her establishment as one of the sharpest, erotically charged, and audaciously funny writing talents of contemporary literature. Michiko Kakutani of *The New York Times* called it "Pinteresque," saying, "Ms. Gaitskill writes with such authority, such radar-perfect detail, that she is able to make even the most extreme situations seem real... her reportorial candor, uncompromised by sentimentality or voyeuristic charm...underscores the strength of her debut."

Bad Behaviour

Penguin Classics

A young woman anxiously waits for her date on a street corner in New York City; he sits in a pizza parlour across the street, watching her discomfort. A middle-aged woman returns to a New York that is haunted by the passion and intensity of her former relationship with her estranged best friend. A secretarial graduate starts her first job at a lawyer's office and quietly keeps her cruel experiences at his hands locked inside herself. The stories in this collection peer deep into the inner lives of men and women, explore the cavernous spaces between what we say and what can be expressed, and are full

of tenderness and cruelty. Published for the first time in Penguin Modern Classics, *Bad Behaviour* provides a devastatingly insightful and urgently necessary view of our times.

This Is Pleasure

A Story *Pantheon*

Starting with *Bad Behavior* in the 1980s, Mary Gaitskill has been writing about gender relations with searing, even prophetic honesty. In *This Is Pleasure*, she considers our present moment through the lens of a particular #MeToo incident. The effervescent, well-dressed Quin, a successful book editor and fixture on the New York arts scene, has been accused of repeated unforgivable

transgressions toward women in his orbit. But are they unforgivable? And who has the right to forgive him? To Quin's friend Margot, the wrongdoing is less clear. Alternating Quin's and Margot's voices and perspectives, Gaitskill creates a nuanced tragicomedy, one that reveals her characters as whole persons—hurtful and hurting, infuriating and touching, and always deeply recognizable. Gaitskill has said that fiction is the only way that she could approach this subject because it is too emotionally faceted to treat in the more rational essay form. Her compliment to her characters—and to her readers—is that they are unvarnished and real. Her belief in our

ability to understand them, even when we don't always admire them, is a gesture of humanity from one of our greatest contemporary writers.

The Mare Pantheon

From the author of the National Book Award-nominated *Veronica*: Mary Gaitskill's most poignant and powerful work yet—the story of a Dominican girl, the white woman who introduces her to riding, and the horse who changes everything for her. Velveteen Vargas is eleven years old, a Fresh Air Fund kid from Brooklyn. Her host family is a couple in upstate New York: Ginger, a failed artist on the fringe of Alcoholics Anonymous, and Paul, an academic

who wonders what it will mean to “make a difference” in such a contrived situation. The Mare illuminates the couple's changing relationship with Velvet over the course of several years, as well as Velvet's powerful encounter with the horses at the stable down the road, as Gaitskill weaves together Velvet's vital inner-city community and the privileged country world of Ginger and Paul. The timeless story of a girl and a horse is joined with the timeless story of people from different races and socioeconomic backgrounds trying to meet one another honestly in a novel that is raw, striking, and completely original.

Because They

Wanted To

Stories *Simon and Schuster*

A collection of startling and breathtaking stories about people struggling with the disparity between what they want and what they know. A New York Times Notable Book A man tells a story to a woman sitting beside him on a plane, little suspecting what it reveals about his capacity for cruelty and contempt. A callow runaway girl is stranded in a strange city with another woman's fractiously needy children. An uncomprehending father helplessly lashes out at the daughter he both loves and resents. In these raw, startling, and incandescently lovely stories, the author of Veronica

Veronica *Vintage*

A finalist for the National Book Award and National Book Critics Circle Award, here is an evocative novel about female friendship in the glittering 1980s. Alison and Veronica meet amid the nocturnal glamour of 1980s New York: One is a young model stumbling away from the wreck of her career, the other an eccentric middle-aged office temp. Over the

next twenty years their friendship will encompass narcissism and tenderness, exploitation and self-sacrifice, love and mortality. Moving seamlessly from present and past, casting a fierce yet compassionate eye on two eras and their fixations, the result is a work of timeless depth and moral power.

Two Girls, Fat and Thin

This captivating novel shimmers with dark intensity and wicked wit. In a stunning synthesis of eroticism, rage, pathos, and humor, Gaitskill's "fine storyteller's pace and brilliant metaphors" (The New York Times Book Review) create a

haunting and unforgettable journey into the dark side of contemporary life and the deepest recesses of the soul.

Don't Cry

Stories *Vintage*

Mary Gaitskill returns with a luminous new collection of stories—her first in more than ten years. In “College Town 1980,” young people adrift in Ann Arbor debate the meaning of personal strength at the start of the Reagan era; in the urban fairy tale “Mirrorball,” a young man steals a girl’s soul during a one-night stand; in “The Little Boy,” a woman haunted by the death of her former husband is finally able to grieve through a mysterious encounter with a needy

child. Each story delivers the powerful, original language, and the dramatic engagement of the intelligent mind with the craving body—or of the intelligent body with the craving mind—that has come to be seen as stunningly emblematic of Gaitskill’s fiction.

Somebody with a Little Hammer

Essays *Vintage*

In essays on matters literary, social, cultural, and personal, Mary Gaitskill explores date rape and political adultery, the transcendentalism of the Talking Heads, the melancholy of Björk, and the playfulness of artist Laurel Nakadate. She celebrates the clownish grandiosity and the poetry of

Norman Mailer's long career and maps the sociosexual cataclysm embodied by porn star Linda Lovelace. Witty, wide-ranging, tender, and beautiful, *Somebody with a Little Hammer* displays the same heat-seeking, revelatory understanding for which Gaitskill's writing has always been known.

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with

any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Everything and Less

The Novel in the Age of Amazon *Verso Books*

Best Book of Fall (Esquire) and a Most

Anticipated Book of 2021 (Lit Hub) What Has Happened to Fiction in the Age of Platform Capitalism? Since it was first launched in 1994, Amazon has changed the world of literature. The “Everything Store” has not just transformed how we buy books; it has affected what we buy, and even what we read. In *Everything and Less*, acclaimed critic Mark McGurl explores this new world where writing is no longer categorized as high or lowbrow, literature or popular fiction. Charting a course spanning from Henry James to E. L. James, McGurl shows that contemporary writing has less to do with writing per se than with the manner of its distribution. This consumerist logic—if you like this, you might also like ...—has reorganized the fiction universe so that literary prize-winners sit alongside fantasy, romance, fan fiction, and the infinite list of hybrid genres and self-published works. This is an innovation to be cautiously celebrated. Amazon’s platform is not just a retail juggernaut but an aesthetic experiment driven by an unseen algorithm rivaling in the depths of its effects any major cultural shift in history. Here all fiction is genre fiction, and the niches range from the categories of crime and science fiction to the more refined interests of Adult Baby Diaper Lover erotica. *Everything and Less* is a hilarious and

insightful map of both the commanding heights and sordid depths of fiction, past and present, that opens up an arresting conversation about why it is we read and write fiction in the first place.

Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “Buddhist Boot Camp for Bad Girls”. Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is capable of, it becomes increasingly clear that this is an advanced and perilous practice, and there’s a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, *The Lightness* juxtaposes fairy tales with quantum physics, cognitive science with

religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don’t, and can’t, know them at all. “A suspenseful debut.”

The Lady with the Little Dog and Other Stories, 1896-1904

Penguin UK

In the final years of his life, Chekhov had reached the height of his powers as a dramatist, and also produced some of the stories that rank

among his masterpieces. The poignant 'The Lady with the Little Dog' and 'About Love' examine the nature of love outside of marriage - its romantic idealism and the fear of disillusionment. And in stories such as 'Peasants', 'The House with the Mezzanine' and 'My Life' Chekhov paints a vivid picture of the conditions of the poor and of their powerlessness in the face of exploitation and hardship. With the works collected here, Chekhov moved away from the realism of his earlier tales - developing a broader range of characters and subject matter, while forging the spare minimalist style that would inspire such modern short-story writers as Hemingway

and Faulkner.

sympathetic short story collection about Americans in America by one of Indonesia's most prominent writers, now in an English translation for its fortieth anniversary, with a foreword by Intan Paramaditha A Penguin Classic In these seven stories of *The People from Bloomington*, our peculiar narrators find themselves in the most peculiar of circumstances and encounter the most peculiar of people. Set in Bloomington, Indiana, where the author lived as a graduate student in the 1970s, this is far from the idyllic portrait of small-town America. Rather, sectioned into apartment units and rented rooms, and gridded by long empty streets and distances traversable only by car, it's a place where the solitary can all too easily remain solitary; where people can at once be obsessively curious about others, yet fail to form genuine connections with anyone. The characters feel their loneliness acutely and yet deliberately estrange others. Budi Darma paints a realist world portrayed through an absurdist frame, morbid and funny at the same time. For decades, Budi Darma has influenced and inspired many writers, artists, filmmakers, and readers in Indonesia, yet his stories transcend time and place. With *The People from Bloomington*, Budi Darma draws us to a universality recognized by readers around the world—the cruelty of

life and the difficulties that people face in relating to one another while negotiating their own identities. The stories are not about “strangeness” in the sense of culture, race, and nationality. Instead, they are a statement about how everyone, regardless of nationality or race, is strange, and subject to the same tortures, suspicions, yearnings, and peculiarities of the mind.

The Boy Who Ran Away to Sea *Seven Stories Press*

A childhood in the 1950s and '60s among grifters, show girls, and mob enforcers who embraced the boy and made him who he is. "These stories make

for one of the most important and moving American bildungsromans of all time.” —William Boyle, *The Southwest Review*

Roy tells it the way he sees it, shuttled between Chicago to Key West and Tampa, Havana and Jackson MS, usually with his mother Kitty, often in the company of lip-sticked women and fast men. Roy is the muse of Gifford’s hardboiled style, a precocious child, watching the grown-ups try hard to save themselves, only to screw up again and again. He takes it all in, every waft of perfume and cigar smoke, every missed opportunity to do the right thing. And then there are the good things too. A fishing trip with Uncle Buck, a mother’s love,

advice from Rudy, Roy’s father: “Roy means king. Be the king of your own country. Don’t depend on anyone to do your thinking for you.” The stories in *The Boy Who Ran Away to Sea* are together a love letter and a tribute to the childhood experiences that ground a life. In the Author’s note, Gifford writes, “I have often been asked if I were interested in writing my memoirs or an autobiography. Given that the Roy stories come as close as I care to come regarding certain circumstances, I remain comfortable with their verisimilitude. They all dwell within the boundary of fiction. As I have explained elsewhere, these are stories, I made them

up. Roy ages from about five years old to late adolescence. After that, with the exception of a sighting in Veracruz, I have no idea what happened to him." "The way Barry Gifford lets people talk articulates everything about their unfamiliar inner lives, and ours."
—Boston Globe

Animal Person

Stories *Farrar, Straus and Giroux*

The highly anticipated new book of short fiction from the O. Henry Prize winner Alexander MacLeod—a magnificent collection about the needs, temptations, and tensions that exist just beneath the surface of our lives. Startling, suspenseful, and deeply humane, yet alert to the undertow

of our darker instincts, the eight stories in *Animal Person* illuminate what it means to exist in the perilous space between desire and action, and to have your faith in what you hold true buckle and give way. A petty argument between two sisters is interrupted by an unexpected visitor. Adjoining motel rooms connect a family on the brink of a new life with a criminal whose legacy will haunt them for years to come. A connoisseur of other people's secrets is undone by what he finds in a piece of lost luggage. In the wake of a tragic accident, a young man must contend with what is owed to the living and to the dead. And in the O. Henry Prize-winning story "Lagomorph," a

man's relationship with his family's long-lived pet rabbit opens up to become a profound exploration of how a marriage fractures. Muscular and tender, beautifully crafted, and alive with an elemental power, these stories explore the struggle for meaning and connection in an age when many of us feel cut off from so much, not least ourselves. This is a collection that beats with raw emotion and shimmers with the complexity of our shared human experience, and it confirms Alexander MacLeod's reputation as a modern master of the short story.

Others

Stories *Little, Brown*

In this powerful and virtuosic collection of interlocking stories, each one "a marvel of concision and compassion"

(Washington Post), a National Book Critics Circle Award finalist and "master of his form" (/~i~New York Times) takes the short story to new heights. Through forty-four compressed gems, Peter Orner, a writer who "doesn't simply bring his characters to life, he gives them souls" (NYT Book Review), chronicles people whose lives are at inflection points, gripping us with a series of defining moments. Whether it's a first date that turns into a late-night road trip to a séance in an

abandoned airplane hangar, or a family's memories of the painful mystery surrounding a neglected uncle's demise, Orner reveals how our fleeting decisions between kindness and abandonment chase us across time. These stories are anchored by a poignant novella that delivers not only the joys and travails of a forty-year marriage, but an entire era in a working-class New England city. Bristling with the crackling energy of life itself, *Maggie Brown & Others* marks the most sustained achievement to date for "a master of his form" (New York Times). The Low Desert

Gangster Stories *Catapult*

Raymond Carver meets Elmore Leonard in this extraordinary collection of contemporary crime writing set in the critically acclaimed Gangsterland universe, a series called "gloriously original" by The New York Times Book Review. With gimlet-eyed cool and razor-sharp wit, these spare, stylish stories from a master of modern crime fiction assemble a world of gangsters and con men, of do-gooders breaking bad and those caught in the

crossfire. The uncle of an FBI agent spends his life as sheriff in different cities, living too close to the violent acts of men; a cocktail waitress moves through several desert towns trying to escape the unexplainable loss of an adopted daughter; a drug dealer with a penchant for karaoke meets a talkative lawyer and a silent clown in a Palm Springs bar. Witty, brutal, and fast-paced, these stories expand upon the saga of Chicago hitman-turned-Vegas-rabbi Sal Cupertine--first introduced in *Gangsterland* and continued in *Gangster Nation*--while revealing how the line between good and bad is often a mirage.

Churchill's Shadow:

The Life and Afterlife of Winston Churchill W. W. Norton & Company A New York Times Notable Book of the Year A major reassessment of Winston Churchill that examines his lasting influence in politics and culture. Churchill is generally considered one of the greatest leaders of the twentieth century, if not the greatest of all, revered for his opposition to appeasement, his defiance in the face of German bombing of England, his political prowess, his deft aphorisms, and his memorable speeches. He became the savior of his country, as prime minister during the most perilous period in British history, World War II, and is now

perhaps even more beloved in America than in England. And yet Churchill was also very often in the wrong: he brazenly contradicted his own previous political stances, was a disastrous military strategist, and inspired dislike and distrust through much of his life. Before 1939 he doubted the efficacy of tank and submarine warfare, opposed the bombing of cities only to reverse his position, shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name, and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast. When he was appointed to the cabinet for the first time in 1908, a perceptive journalist called him “the most interesting problem of personal speculation in English politics.” More than a hundred years later, he remains a source of adulation, as well as misunderstanding. This revelatory new book takes on Churchill in his entirety, separating the man from the myth that he so carefully cultivated, and scrutinizing his legacy on both sides of the Atlantic. In effervescent prose, shot through with sly wit, Geoffrey Wheatcroft illuminates key moments and controversies in Churchill’s career—from the tragedy of Gallipoli, to his shocking imperialist and racist attitudes,

dealings with Ireland, support for Zionism, and complicated engagement with European integration. Charting the evolution and appropriation of Churchill's reputation through to the present day, *Churchill's Shadow* colorfully renders the nuance and complexity of this giant of modern politics.
