**En Vogue - Don't Let
Go (Love) Lyrics |
Genius Lyrics**

Don't Let Go is the
latest stand alone by
crime writer Harlan It is
the story of Nap (short
for Napoleon) Dumas
whose TWIN brother

was found dead on the town's train tracks along with the brother's girlfriend. Nap's girlfriend mysteriously disappeared after this and so the story begins. Coben is a good writer.

Don't Let Go by Harlan Coben - Goodreads

The plot of Don't Let Go was very intriguing to me; it is set in a small town where not much has happened since the tragic events of 15 years ago, when Nap's twin brother, Leo, and Leo's girlfriend, Diana, killed themselves. Nap's girlfriend, Maura, also disappeared and has not been seen or heard from since.

The Chainsmokers - Don't Let Me Down (Official Video) ft ...

DON'T LET GO. The film starts with Ashley Ratcliff (Storm Reid) calling her detective uncle Jack (David

Oyelowo) to pick her up from the movies since her father forgot and her mother is too busy. Jack gets her and takes her to a diner for a meal.

DON'T LET GO - The Movie Spoiler

DON'T LET GO is a poor book. It seems to me that Coben had a story outline about a tragedy which would have made a good 125 page novella and turned that into a manipulative, clunky "suspense" novel. I found the on again, off again conversation with the protagonist's dead twin brother to be particularly unprofessional and annoying.
