The centre of government: nineteenth report of session ...

Successive governments appear to find it difficult to organise the centre of government in a way which meets their needs. The last two prime ministers have deliberately sought to change the way Number 10 operated from their predecessor's model – but then had to change again as events revealed that their new structures were inadequate.

The centre of government | The Institute for Government

The centre of government has responsibility for coordinating and overseeing the work of government, enabling it to achieve its strategic aims and ensuring there is a central view of the effective operation of government as a whole. Most of these strategic functions are performed by the Cabinet Office and the Treasury.

The centre of government - National Audit Office (NAO) Report

The center of government (CoG) is the institution or group of institutions that provide direct support to the chief executive (president or prime minister) in leading the management of government. Unlike line ministries and other government agencies, the CoG does not deliver services directly to the citizens, and it does not focus on a specific policy area.
