There's a Spiritual Solution to Every Problem *HarperCollins UK*

This radical new book from Wayne Dyer proposes that we hold the keys to solving any problems we face within us. He sets out

basic principles and foundations we can understand and practice in order to access spiritual solutions to any problems we are experiencing. The book is in two sections. The first sets out the theory, the second enables you to put the wisdom into practice. Part 1. The theory: Everything in the Universe is nothing more than energy. Light and though, spiritual energy, vibrates very quickly. Physical energy, and problem areas, vibrate more slowly. When the highest/fastest frequencies of spirit are brought to the presence of lower/slower frequencies, they nullify and dissipate those things we call problems. We all have the ability to increase our energy and access the highest/fastest energies to eradicate problems in our lives. In carefully structured chapters, Wayne Dyer draws on both ancient wisdom and firsthand accounts, and shows how to: stop giving energy to things you don't believe in* keep your energy field uncontaminated* raise and maintain your spiritual energy. In the second part of the book, "Putting spiritual problem solving into action", Dyer shows how we can transform any negative energy into positive energy: hate into love* hurt into forgiveness* doubt into faith* despair into hope* sadness into joy

Spiritual Solutions *Harmony*

Sanctuary *Hay House, Inc*

More than half a century after Einstein first described the

energetic unity of the world in his famous equation, $E=mc^2$, we are finally beginning to understand the spiritual and mystical implications of his discovery. Sanctuary: The Path to Consciousness is about the miraculous possibilities that emerge when we see the universe as a matrix of frozen light, the spiritual manifestation of our intuitive consciousnesses. In this remarkable novel, you will find a new energetic model of the body, the spirit, and the nature of the physical world. It points the way to unlimited possibilities of absolute, eternal transformation, and you will find out that it is readily available now! After reading this book, you too can take advantage of the techniques of energetic Quantum-Consciousness Evaluation, and be able to identify and remove subtle-energy imbalances to attain and integrate physical, emotional, and spiritual harmony!

Reality in the Eye of the Beholder *Superposition*

This is a spiritual solution to a human condition. Every problem and every solution stem from a mental and personal definition. A definition is what we create to interpret every situation in life. Then we use those interpretations to create new definitions. The catch is learning how to change those definitions at a subconscious level to help us achieve the things that we value. If first, you don't succeed then redefine success. This book simplifies many complexities of quantum physics and psychology. Once this information is processed and understood, it is then used to show its connection and similarities between a myriad of universal spiritual practices and principles. This connection is done in a way that has never been done before. Similar to a documentary on paper, it proposes easy to understand

explanations of how the many things that we call reality, are just fragments of the mind. Things that we intuitively know but are never taught, gain more validation with each chapter by the breakdown and application of different things in our everyday lives. My love and hunger for this subject matter have led me to research 1000s of hours in this truth-seeking journey. I am a certified hypnotherapist and very experienced in the arts of meditation. I am a member of the Greens political party and the practising manager of a stem cell and cancer clinic. I am a Master Mason, thus my esoteric understandings of the world stem from my Freemason affiliation and they have given me a view most people have not properly investigated. I have also experienced the extreme lows of drug addiction, the criminal world and domestic abuse, only to come out of the tunnel with a better understanding of the dark before appreciating the light. My open mind and experiences, have led me to help science and spirituality communicate in the way that it was always intended, but frowned upon. Reality is not easy to navigate through, but it is impossible if you don't even know who you are.

Freedom, Glorious Freedom *Lethe Press*

In Freedom, Glorious Freedom, acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual

maturity and self-acceptance. McNeill discusses freedom of conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and psychotherapist, has been devoting his life to spreading the good news of God's love for lesbian and gay Christians.

In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living

our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living 'in-Spirit'.

Prayers by a Prisoner

As disappointing and difficult as your incarceration may be, there is always hope and a spiritual solution. In your desperation, take time to be still, put your anxieties to rest and draw close to God. He is very near and will meet you at your point of need. This book will help you discover that the God of all comfort is near to the

brokenhearted and discouraged. God will turn your despair into hope, your darkness into light, and your doubts into faith. What other prisoners have written about Prayers by a Prisoner: "Price puts our deepest questions about walking with God through this darkness into perspective. Every prisoner must read this book." Jason Chapman, federal prisoner "I've been arrested forty nine times and have read many books in jail and prison. I've read this book three times already, and I feel like I need to read it again and again. This book on prayer helped me understand that God loves me no matter what I've done." Terry Buck, federal prisoner "After struggling with years of depression, bad decisions and lots of prison time, chapter twelve has changed my entire thought process. If you read nothing else, read chapter twelve. Chapters fourteen and fifteen are very powerful too!" David McNutt "After over thirty arrests and being in and out of jail since I was thirteen, this book helped me finally understand why I am making so many impulsive and irrational decisions. I did not understand that God loved me this way. My life is now being transformed." Johnny Hill, federal prisoner From the Introduction: I want to explain that I am a fellow struggler in Christ. I am not infallible, and thankfully, I have abandoned the God complex. My flaws and mistakes are obvious, and I say along with the apostle Paul that I am the chief of all sinners. This book is not about any extraordinary knowledge or insight that I have attained. It is simply about the practices and habits that God has led me to develop to make the most of my time in prison and the remainder of my life. I am a learner, an avid reader, and a lifelong student of contemplative prayer. I am always asking God to make the necessary changes that He knows I need to implement in order

for me to conform to the image of Christ. Just because I am a Christian does not mean I am without troubles, pain and suffering. We all know the affliction and darkness we experience in prison. We have been through the inhumane, harsh and brutal process of eternal condemnation. We are alienated, isolated and despised by society. Our names have become a reproach. The odds of any kind of comeback are stacked against us. The world looks upon us as pariah and with contempt. Many of us are rejected and forsaken, and we wrestle with feelings of deep loneliness, abandonment and overwhelming regret. We wonder if there is any hope. The good news is that Jesus repeatedly gave dignity back to the despised. Others may look at us with scorn, but Jesus makes us human again. Here is the bottom line: God knows every thought we have ever had, every step we've ever taken, and every word we've ever spoken. He knows the intentions of our hearts. He knows all the things we've seen and done that make us want to run, hide, and even die. And yet, He still loves us. Jesus is a friend and lover of sinners like you and me, and there is nothing we can do to make Him stop loving us. He meets us where we are. He disciplines and corrects us when necessary. He forgives our past. He overwhelms us with His love, and He gives us an eternal home in Heaven. Nothing can separate us from His infinite love. Because of this, we can say along with the Psalmist, "I will not die, but live, and tell of the works of the Lord. The Lord has disciplined me severely, but He has not given me over to death (Psalm 118:17-19)." Included as a supplement is a five chapter preview of my memoir, *Hope Is Not My Enemy*, which details my life story and the failure of my securities business and MBT Bank.

Turning This Thing Around *Createspace Independent Pub*

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

Toward Manhood

What is an authentic purpose of a man's life today? What does manhood have to do with purpose? How does a man discern the call of purpose? This is a book about the psychospiritual path to a meaningful, healthy and fulfilling manhood. It is written for any

man who is starting to question his life's purpose. It is written for the man who, as he is climbing the ladder of success, is starting to realize that the ladder is on the wrong wall. *Toward Manhood* is about the inevitable crisis of meaning and life direction that most men in modern culture will ultimately face. This book is based on psychological and spiritual principles lost in the modern Western world that still endure after thousands of years. Using archetypal puberty initiation rituals that have always led toward a purposeful life *Toward Manhood* translates this indigenous practice into a modern understanding of healthy psychological and spiritual maturity. The old and the new come together in this book to create a modern model of manhood that is worthy of the inner pain and struggle it takes to brave the wilderness of the soul's identity.
