American Exceptionalism The French Exception And Digital ...

Cultural exception is a political concept introduced by France in
General Agreement on Tariffs and Trade negotiations in 1993 to
treat culture differently from other commercial products. In other
words, its purpose is to consider cultural goods and services as
exceptions in international treaties and agreements especially
with the World Trade Organization. Its goals are to point out that
States are sovereign as far as limitation of culture free trade is
concerned in order to protect and promote
