Hard Times Require Furious Dancing

New Poems *New World Library*

"I was born to grow, / alongside my garden of plants, / poems / like / this one" So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. As she confronts personal and collective challenges, her words dance, sing, and heal.

The Temple of My Familiar *Open Road Media*

The Pulitzer Prize–winning author of *The Color Purple* weaves a “glorious and iridescent” tapestry of interrelated lives in this New York Times bestseller (*Library Journal*). In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie’s own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection. *The Temple of My Familiar* is the 2nd book in the *Color Purple Collection*, which also includes *The Color Purple* and *Possessing the Secret of Joy*.

Insurrections

Stories *University Press of Kentucky*

A suicidal father looks to an older neighbor -- and the Cookie Monster -- for salvation and sanctuary as his life begins to unravel. A man seeking to save his estranged, drug-addicted brother from the city's underbelly confronts his own mortality. A chess match between a girl and her father turns into a master class about life, self-realization, and pride: "Now hold on little girl.... Chess is like real life. The white pieces go first so they got an advantage over the black pieces." These are just a few glimpses into the world of the residents of the fictional town of Cross River, Maryland, a largely black settlement founded in 1807 after the only successful slave revolt in the United States. Raw, edgy, and unrelenting yet infused with forgiveness, redemption, and humor, the stories in this collection explore characters suffering the quiet tragedies of everyday life and fighting for survival. In *Insurrections*, Rion Amilcar Scott's lyrical prose authentically portrays individuals growing up and growing old in an African American community. Writing with a delivery and dialect that are intense and unapologetically current, Scott presents characters who dare to make their own choices -- choices of kindness or cruelty -- in the depths of darkness and hopelessness. Although Cross River's residents may be halted or deterred in their search for fulfillment, their spirits remain resilient -- always evolving and constantly moving.

Gathering Blossoms Under Fire

The Journals of Alice Walker, 1965-2000 *Simon and Schuster*

From National Book Award and Pulitzer Prize-winning author Alice Walker and edited by critic and writer Valerie Boyd, comes an unprecedented compilation of Walker's fifty years of journals drawing an intimate portrait of her development over five decades as an artist, human rights and women's activist, and intellectual. For the first time, the edited journals of Alice Walker are gathered together to reflect the complex, passionate, talented, and acclaimed Pulitzer Prize winner of *The Color Purple*. She intimately explores her thoughts and feelings as a woman, a writer, an African-American, a wife, a daughter, a mother, a lover, a sister, a friend, a citizen of the world. In an unvarnished and singular voice, she explores an astonishing array of events: marching in Mississippi with other foot soldiers of the Civil Rights Movement, led by Martin Luther King, Jr.; her marriage to a Jewish lawyer, defying laws that barred interracial marriage in the 1960s South; an early miscarriage; writing her first novel; the trials and triumphs of the Women's Movement; erotic encounters and enduring relationships; the ancestral visits that led her to write *The Color Purple*; winning the Pulitzer Prize; being admired and maligned, sometimes in equal measure, for her work and her activism; and burying her mother. A powerful blend of Walker's personal life with political events, this revealing collection offers rare insight into a literary legend.

The Lost Flowers of Alice Hart *House of Anansi*

An enchanting and captivating novel about how our untold stories haunt us — and the stories we tell ourselves in order to survive. After her family suffers a tragedy, nine-year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family's story. In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, *The Lost Flowers of Alice Hart* follows Alice's unforgettable journey, as she learns that the most powerful story she will ever possess is her own.

Reading and Writing about Short Fiction *Wadsworth Publishing Company*

READING AND WRITING FICTION provides an introduction to writing and an introduction to fiction with an anthology of eight-six stories.

An Episode of War *Harper Collins*

Though best known for *The Red Badge of Courage*, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Our Lady of the Flowers *Open Road + Grove/Atlantic*

The shattering novel of underground life the *New York Times* called “a cry of rapture and horror . . . the purest lyrical genius.” Jean Genet’s debut novel *Our Lady of the Flowers*, which is often considered to be his masterpiece, was written entirely in the solitude of a prison cell. A semi-autobiographical account of one man’s journey through the Paris demi-monde, dubbed “the epic of masturbation” by no less a figure than Jean-Paul Sartre, the novel’s exceptional value lies in its exquisite ambiguity.

To Hell with Dying *Voyager Books*

The author relates how old Mr. Sweet, though often on the verge of dying, could always be revived by the loving attention that she and her brother gave him.

Now Is the Time to Open Your Heart

A Novel *Random House*

The Pulitzer Prize-winning author of *The Color Purple*, *Possessing the Secret of Joy*, and *The Temple of My Familiar* now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In *Now Is the Time to Open Your Heart*, Alice Walker has created a work that ranks among her finest achievements: the story of a woman's spiritual adventure that

becomes a passage through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and deep feeling that are its author's hallmarks, *Now Is the Time to Open Your Heart* is Alice Walker's most surprising achievement.

Stories and Poems for Gardeners

Winner of the 2002 Garden Writers Association of America's Garden Globe Award for Illustration. A literary anthology that summons up the profound passions and wild obsessions of gardening. Man V. Nature

Stories *Harper Collins*

“Astonishing. . . . The stories are surreal, with the sharpest edge and in one way or another, each story reveals something raw and powerful about being human in a world where so little is in our control.” — Roxane Gay A refreshingly imaginative, daring debut collection of stories which illuminates with audacious wit the complexity of human behavior, as seen through the lens of the natural world. Told with perfect rhythm and unyielding brutality, these stories expose unsuspecting men and women to the realities of nature, the primal instincts of man, and the dark humor and heartbreak of our struggle to not only thrive, but survive. In “Girl on Girl,” a high school freshman goes to disturbing lengths to help an old friend. An insatiable temptress pursues the one man she can’t have in “Meteorologist Dave Santana.” And in the title story, a long fraught friendship comes undone when three buddies get impossibly lost on a lake it is impossible to get lost on. In Diane Cook’s perilous worlds, the quotidian surface conceals an unexpected surreality that illuminates different facets of our curious, troubling, and bewildering behavior. Other stories explore situations pulled directly from the wild, imposing on human lives the danger, tension, and precariousness of the natural world: a pack of not-needed boys take refuge in a murky forest and compete against each other for their next meal; an alpha male is pursued through city streets by murderous rivals and desirous women; helpless newborns are snatched by a man who stalks them from their suburban yards. Through these characters Cook asks: What is at the root of our most heartless, selfish impulses? Why are people drawn together in such messy, complicated, needful ways? When the unexpected intrudes upon the routine, what do we discover about ourselves? As entertaining as it is dangerous, this accomplished collection explores the boundary between the wild and the civilized, where nature acts as a catalyst for human drama and lays bare our vulnerabilities, fears, and desires.

My Garden (Book) *Farrar, Straus and Giroux*

One of our finest writers on one of her greatest loves. Jamaica Kincaid's first garden in Vermont was a plot in the middle of her front lawn. There, to the consternation of more experienced friends, she planted only seeds of the flowers she liked best. In *My Garden (Book)* she gathers all she loves about gardening and plants, and examines it generously, passionately, and with sharp, idiosyncratic discrimination. Kincaid's affections are matched in intensity only by her dislikes. She loves spring and summer but cannot bring herself to love winter, for it hides the garden. She adores the rhododendron Jane Grant, and appreciates ordinary Blue Lake string beans, but abhors the Asiatic lily. The sources of her inspiration -- seed catalogues, the gardener Gertrude Jekyll, gardens like Monet's at Giverny -- are subjected to intense scrutiny. She also examines the idea of the garden on Antigua, where she grew up. *My Garden (Book)* is an intimate, playful, and penetrating book on gardens, the plants that fill them, and the persons who tend them.

The Third Life of Grange Copeland *Open Road Media*

From the New York Times–bestselling author of *The Color Purple*: A “moving, tender” novel of a Deep South tenant farmer’s quest for a new life (Publishers Weekly). Grange Copeland, a deeply conflicted and struggling tenant farmer in the Deep South of the 1930s, leaves his family and everything he’s ever known to find happiness and respect in the cold cities of the North. This misadventure, his “second life,” proves a dismal failure that sends him back where he came from to confront his now-grown-up son’s disastrous relationships with his own family, including Grange’s granddaughter, Ruth Copeland, a child that Grange grows to love. Love becomes the substance of his third and final life. He spends it in devotion to Ruth, teaching and protecting her—though the cost of doing so is almost more than he can bear. From a Pulitzer Prize and National Book Award winner, this is an “honest sensitive tale . . . leavened by those moments of humor and warmth that have enabled men and women to endure so much tragedy” (Chicago Daily News). This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection.
