Dance is a performing
art form consisting of
purposefully selected
sequences of human
movement. This
movement has
aesthetic and symbolic

value, and is acknowledged as dance by performers and observers within a particular culture. Dance can be categorized and described by its choreography, by its repertoire of movements, or by its historical period or place of origin.

Dance - Wikipedia

Dance, the movement of the body in a rhythmic way, usually to music and within a given space, for the purpose of expressing an idea or emotion, releasing energy, or simply taking delight in the movement itself. Learn more about the history, styles, and aesthetics of dance in this article.
