When Stars And Stripes Met

The amount of stars and stripes on the American flag has changed over the years, with the original flag displaying 15 stripes and 15 stars in 1795. The order of the stars and stripes

changed in 1912, and in 1959 the arrangement was confirmed to show the stars in nine rows staggered horizontally and eleven rows staggered vertically.

When Stars and Stripes Met Hammer and Sickle tells the story of face-to-face citizen diplomacy that brought together Americans and Soviets during the closing years of the cold war. Looking specifically at five conferences held between 1985 and 1989, Ross Mackenzie recounts the experiences of artists, diplomats, government officials, and interested citizens who joined together for a unique mix of political debates, artistic performances, open discussions, and socialization.

When Stars And Stripes Met Hammer And Sickle

The Stars and Stripes originated as a result of a resolution adopted by the Marine Committee of the Second Continental Congress at Philadelphia on June 14, 1777. The resolution read: Resolved , that the flag of the United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field representing a new constellation."
