Culture Wars The Black Book

Culture Wars is the fifth volume of The Black Book of the American Left, and the first of three focusing on the attacks on American values that first gained traction in the 1960s. These conflicts have continued through half a century, dividing Americans more sharply than at any time since the Civil War, while re-shaping the national culture in ways that reflect the agendas of the progressive elites.

The Black Book Of The American Left Volume 5 Culture Wars ...

In both the paper and the book, Manning and Campbell draw on the work of sociologist Donald Black on conflict and on cross-cultural studies of conflict and morality to argue that the contemporary culture wars resemble tactics described by scholars in which an aggrieved party or group seeks

the support of third parties. They argue that grievance-based conflicts have led to large-scale moral change in which an emergent victimhood culture is clashing with and replacing older honor and dignity ...
