The Overseas Chinese of South East Asia - History, Culture ...

But the 60 million Chinese who live outside of China have long been an economic powerhouse in their own right. They play major, often dominant, economic roles in many countries in South-East Asia, and led much of the rapid growth and industrialisation of the region in the 1980s and 1990s. This book sets out to describe these communities and the environment in which they live and work.
