We Have Always Lived in the Castle**The Man Who Came Down the Attic Stairs** *Boom! Studios*

Emma is excited to start a family in her new home, but after her child's birth she finds her world turning upside-down. The infant cries like it's scared of something, or someone, and Emma's sleepless nights quickly drive a wedge between her and her husband, who seems uncharacteristically detached. When Emma begins to see strange things in the house, the line between reality and

fantasy blurs and her grasp of what's real and what's not becomes even more clouded. Is something unnatural haunting the nursery? And what if it also affected her husband, who ventured up into the attic when they first arrived... Inspired by the works of Shirley Jackson and Ira Levin, Celine Loup's *The Man Who Came Down the Attic Stairs* weaves a tale of horror and suspense that captures the isolation of postpartum depression, while exploring the very real fears associated with new motherhood.

Seventeen-year-old Althea is the sole support of her entire family, and she must marry well. But there are few wealthy suitors--or suitors of any kind--in their small Yorkshire town of Lesser Hoo. Then, the young and attractive (and very rich) Lord Boring arrives, and Althea sets her plans in motion. There's only one problem; his friend and business manager Mr. Fredericks keeps getting in the way. And, as it turns out, Fredericks has his own set of plans . . . This witty take on the classic Regency--Patrice Kindl's first novel in a decade--is like literary champagne!

& Judy bestseller. A child who does not know her name... In 1903 fishermen find a wrecked boat containing a woman, who has been badly beaten, and a young girl. An ambulance is sent for, and the two survivors are taken to All Hallows, the imposing asylum, hidden deep on Dartmoor. The woman remains in a coma, but the little girl, Harriet, awakens and is taken to an attic room, far away from the noise of the asylum, and is put in the care of Nurse Emma Everdeen. Two motherless boys banished to boarding school... In 1993, All Hallows is now a boarding school. Following his mother's death and his father's hasty remarriage, Lewis Tyler is banished to Dartmoor, stripped of his fashionable clothes, shorn of his long hair, and left feeling more alone than ever. There he

meets Isak, another lost soul, and whilst refurbishment of the dormitories is taking place, the boys are marooned up in the attic, in an old wing of the school. Cries and calls from the past that can no longer be ignored... All Hallows is a building full of memories, whispers, cries from the past. As Lewis and Isak learn more about the fate of Harriet, and Nurse Emma's desperate fight to keep the little girl safe, it soon becomes clear there are ghosts who are still restless. Are they ghosts the boys hear at night in the room above, are they the unquiet souls from the asylum still caught between the walls? And can Lewis and Isak bring peace to All Hallows before the past breaks them first... Praise for Louise Douglas 'A brilliantly written, gripping, clever, compelling story, that I

The Women in the Castle stands tall among the literature that reveals new truths about one of history's most tragic

eras."—USA Today Three women, haunted by the past and the secrets they hold Set at the end of World War II, in a crumbling Bavarian castle that once played host to all of German high society, a powerful and propulsive story of three widows whose lives and fates become intertwined—an affecting, shocking, and ultimately redemptive novel from the author of the New York Times Notable Book *The Hazards of Good Breeding*. Amid the ashes of Nazi Germany's defeat, Marianne von Lingenfels returns to the once-grand castle of her husband's ancestors, an imposing stone fortress now fallen into ruin following years of war. The widow of a resister murdered in the failed July 20, 1944, plot to assassinate Adolf Hitler, Marianne plans to uphold the promise

she made to her husband's brave conspirators: to find and protect their wives, her fellow resistance widows. First Marianne rescues six-year-old Martin, the son of her dearest childhood friend, from a Nazi reeducation home. Together, they make their way across the smoldering wreckage of their homeland to Berlin, where Martin's mother, the beautiful and naive Benita, has fallen into the hands of occupying Red Army soldiers. Then she locates Ania, another resister's wife, and her two boys, now refugees languishing in one of the many camps that house the millions displaced by the war. As Marianne assembles this makeshift family from the ruins of her husband's resistance movement, she is certain their shared pain and circumstances will hold them together.

But she quickly discovers that the black-and-white, highly principled world of her privileged past has become infinitely more complicated, filled with secrets and dark passions that threaten to tear them apart. Eventually, all three women must come to terms with the choices that have defined their lives before, during, and after the war—each with their own unique share of challenges. Written with the devastating emotional power of *The Nightingale*, *Sarah's Key*, and *The Light Between Oceans*, Jessica Shattuck's evocative and utterly enthralling novel offers a fresh perspective on one of the most tumultuous periods in history. Combining piercing social insight and vivid historical atmosphere, *The Women in the Castle* is a dramatic yet nuanced portrait of war and its repercussions that

explores what it means to survive, love, and, ultimately, to forgive in the wake of unimaginable hardship.

Decades later, Lowra, a young orphan girl born into wealth and privilege, will find herself banished to the same attic. Lying under

But something sinister lurks behind the walls of Castle Dark. During Nora's second performance, one of her castmates plays the part of the victim a little too well. So well, in fact, that no one can revive him. He has been murdered. Not ready to give up her dream gig—or to be the next victim—Nora sets out to see which one of her fellow actors has taken the role of a murderous real-life villain.

The Castle in the Attic Group Set

The Fox in the Attic *New York Review of Books*

A tale of enormous suspense and growing horror, *The Fox in the Attic* is the widely acclaimed first part of Richard Hughes's monumental historical fiction, "The Human Predicament." Set in the early 1920s, the book centers on Augustine, a young man from an aristocratic Welsh family who has come of age in the aftermath of World War I. Unjustly suspected of having had a hand in the murder of a young girl, Augustine takes refuge in the remote castle of Bavarian relatives. There his hopeless

love for his devout cousin Mitzi blinds him to the hate that will lead to the rise of German fascism. The book reaches a climax with a brilliant description of the Munich putsch and a disturbingly intimate portrait of Adolph Hitler. *The Fox in the Attic*, like its no less remarkable sequel *The Wooden Shepherdess*, offers a richly detailed, Tolstoyan overview of the modern world in upheaval. At once a novel of ideas and an exploration of the dark spaces of the heart, it is a book in which the past returns in all its original uncertainty and strangeness.
