Spufford revisits all those childhood obsessions: fairy tales; Where the Wild Things Are; The Lord of the Rings; The Chronicles of Narnia; Little House on the Prairie; The Wind in the Willows; The Earthsea Trilogy and more. In these treasured tales Francis Spufford discovers both delight and sadness – the thrill as worlds of imagination opened up before him mixed with the memories of a boy who retreated into books when faced with a family tragedy.

Francis Spufford's The Child that Books Built is a short book that seems long, expansive, excursive. Of course - it cites a host of other books, from Where the Wild Things Are through The Little House on the Prairie to Nineteen Eighty-Four; it is packed with reference, with discussion. A book about books and, above all, a book about the power of books, about the manipulative effect of fiction, about the way in which story can both mirror and influence the process of growing up.
