Resurrection by Scarlett Edwards is book 7 in the Uncovering You Series. Edwards really hits the mark with this one. Granted, it is still a very dark, erotic romance, but Edwards delves deeper mentally

and emotionally in this one. There is a bit less action here, but I came a way with more understanding. But Oh My...the cliffhanger!

Brilliant Wow, this really is a mega box set thank you Scarlett

for being so generous. Uncovering you this is a very dark and powerful series and is certainly not for the faint hearted you do have to wonder if a human could possibly go through all the things that Lilly did and come through remotely sane.
