...
Witty, knowledgeable, and fluent, False Economy tells extraordinary stories of economic triumph and disaster, explaining how some countries went wrong while others went right, and

why it's so difficult to change course once you're on the path to ruin. Why do oil and diamonds lead to economic disaster more often than boom?

False Economy: A Surprising Economic History of the World

...
False Economy author Alan Beattie, chief editor of The Financial Times provides an informative, detailed and often witty view of the various quirky economic, social and political views taken by countries that have shaped their own economies and have altered world economies throughout history.

Alan Beattie - False Economy: A Surprising Economic ...

Anybody who was expecting some relationship between this book and the popular anti-cuts website 'false economy' will be sadly disappointed. This is a totally unsurprising remix of economic orthodoxy (free trade is always good, you can't buck the market, government intervention will always go wrong), nicely illustrated with some very partial anecdotes from history.

False Economy is a book about how economic triumphs and disasters have shaped the world – and why it's so hard to change the course of history once decisions have been made.

False Economy | Financial Times
Summary of Alan

Beattie's book, *False Economy: A Surprising Economic History of the World*, by Alan Beattie. Alan Beattie has a BA degree in history from Balliol College, Oxford, and a masters in Economics from Cambridge. As of now, 2009, he is trade editor for the Financial Times.

Summary of Alan Beattie's book, *False Economy*

But despite the heady subject matter, *False Economy* is a lively and lucid book that engagingly and thought-provokingly examines macroeconomics, economic topics, and the fault lines and successes that can make or break a culture or induce a global depression.

Along the way, readers will discover why Africa doesn't grow cocaine, why our asparagus comes from Peru, why our keyboard spells QWERTY, and why giant pandas are living on borrowed time.
