Restoring The Soul Of The

"Restoring the Soul of the World goes beyond the goal of 'sustainability' to a new vision of our role here on Earth as renewing and regenerating a world that we feel emotionally committed to and want to care for and understand from a long-term view. This book is optimistic in the best way--based not just on hope or determination but on science, on an exciting array of successful solutions, and a daring kind of spiritual freedom rooted in the cosmos.

Restoring the Soul of the World: Our Living Bond with ...

In Restoring the Soul of the World, David Fideler traces the deep history of the Western imagination to reveal the roots of contemporary worldviews. By weaving together decades of meticulous research with poetic clarity, he highlights the paradigmatic foundations of seemingly intransigent religious, scientific, and economic beliefs.

Excerpt from Restoring the Soul of Business ...

Restoring Soul is founded upon the idea that God has revealed himself in the person of Jesus, who came into the world to bind up broken hearts and set captives free from sin, so that each person's brokenness would become a blessing to others.

What We Believe - Restoring the Soul Inc.

The soul is the deepest part of us, our spirit and innermost being. Since God is the one who made us, only He can restore us, because only He knows what we truly need to restore our souls. God has given us the answers about restoring our souls in the Bible—the Word of God (2 Timothy 3:16-17), and it has the answers and wisdom to deal with everything we will ever face.

How can I restore my soul? | GotQuestions.org

Restoring the Soul of Business provides practical tools and techniques that every organization can and should implement, and challenges readers to move forward with the kind of balance that catalyzes transformation and produces one great success after another.

Restoring the Soul of Business: Staying Human in the Age ...

Restoring the Soul of the World educates, inspires and challenges the reader as it weaves a path from ancient times to a vision of the future. Fideler draws on his rare breadth of knowledge to tell the story of human conquest over nature and the subsequent disconnection from her which now threatens our psychological well-being and future survival.
