### Transnational Families, Migration and Gender: Moroccan and ...

Transnational families are families whose members are separated physically between two or more nation-states but maintain close ties and relationships (Schmalzbauer 2004). Transnational family patterns and living arrangements are not a new phenomenon, but this family arrangement has attracted heightened scholarly attention since the 1990s.

### 'Transnational Families' in: The Wiley Blackwell ...

As Martha Gardner's exhaustive historical analysis of immigration regulations illustrates—Gardner 2006, cited under Gender and the State—the United States had historically curtailed the migration of independent women, thus limiting women's migration as dependents who followed male family members. Since then, women migrants have crossed international borders and entered the United States and other advanced capitalist societies as independent migrants, responding primarily to the ...

### Doing Family in "Times of Migration": Care Temporalities

...

Gender is seen as a core organizing principle that underlies migration and related processes, such as the adaptation to the new country, continued contact with the original country, and possible return. Most important is the view that while sex is defined as a biological outcome of chromosomal structures, gender is "socially constructed."

**Women and Migration: Incorporating Gender into ...**

From its beginnings in the 1970s and 1980s, interest in the topic of gender and migration has grown. Gender and Migration seeks to introduce the most relevant sociological theories of gender relations and migration that consider ongoing transnationalization processes, at the beginning of the third millennium. These include intersectionality, queer studies, social inequality theory and the theory of transnational migration and citizenship; all of which are brought together and illustrated by ...
