The Dalai Lama's Cat by David Michie My Rating: A delightful 4.5/5 First of all, a heartfelt “Thank

You” to Namita Verma (especially) and other raccoons (generally, since I don’t remember all the names) who recommended this book so strongly to me. I have taken away the half point for one peculiar reason, which may only be due to my own interests in such matters, which I shall lay down later in this review.

Read About The Dalai Lama's Cat | The Literate Cat

Cats getting together is hardly 'romantic'. That the Dalai Lama and his household would be such irresponsible cat guardians as to not get their cat fixed in time is a bit much. Sorry but cat welfare is too important to ignore and causes this book to fail to a degree with its spiritual message.
