The power of believing that you can improve | Carol Dweck ...

Let us acknowledge the power that we have within us – the strengthening power, the enabling power the abundant power that is the gift of a God of surprising and lavish generosity – and believe that he can do great things.

“POWER IN THE LIFE OF THE BELIEVER

In order to believe in yourself, you first have to believe that what you want is possible. Scientists used to believe that humans responded to information flowing into the brain from the outside world. But what we now know is that instead, we respond to what the brain — based on previous experience — expects to happen next.
