The history of Irish theatre begins with the rise of the English administration in Dublin at the start of the 17th century. Over the next 400 years this small country was to make a disproportionate contribution to drama in English. In the early days of its history, theatrical productions in Ireland tended to serve the political purposes of the administration, but as more theatres opened and the popular audience grew, a more diverse range of entertainments were staged. Many Dublin-based theatres
