Before the Parade Passes By

Gower Champion and the Glorious American Musical Macmillan

A portrait of the late award-winning Broadway director describes his song-and-dance partnership with wife Marge, appearance in numerous Hollywood films, and work with such productions as Hello, Dolly!, Mame, and 42nd St.

Gower Champion

Dance and American Musical Theatre Greenwood Publishing

Group

Gower Champion's career spanned the years during which American musical theatre was transformed from a crude popular entertainment into a sophisticated art form. As the director and choreographer of *Hello, Dolly!*, *42nd Street*, and other Broadway musicals, he was central to that transformation. This book is the first extensive treatment of his life and contribution to dance and American musical theatre. The volume draws on the holdings of various special collections, is informed by careful analyses of Champion's scripts, and depends on information gathered through interviews with those who knew and worked with Champion throughout his legendary career.

Before the Parade Passes By**Gower Champion and the Glorious American Musical** *St. Martin's Press*

During the Golden Age of the Broadway musical, few director-choreographers could infuse a new musical with dance and movement in quite the way Gower Champion could. From his earliest Broadway success with *Bye Bye Birdie* to his triumphant and bittersweet valedictory, *42nd Street*, musicals directed by Champion filled the proscenium with life. At their best, they touched the heart and stirred the soul with a skillful blend of elegance and American showmanship. He began his career as one-half of "America's Youngest Dance Team" with Jeanne Tyler and later teamed with his wife, dance partner, and longtime collaborator, Marge Champion. This romantic ballroom duo danced across America in the smartest clubs and onto the television screen, performing story dances that captivated the country. They ultimately took their talent to Hollywood, where they starred in the 1951 remake of *Show Boat*, *Lovely to Look At*, and other films. But Broadway always called to Champion, and in 1959 he was tapped to direct *Bye Bye Birdie*. The rest is history. In shows like *Birdie*, *Carnival*, *Hello, Dolly!*, *I Do! I Do!*, *Sugar*, and *42nd Street*, luminaries such as Chita Rivera, Dick Van Dyke, Carol Channing, Mary Martin, Robert Preston, Tony Roberts, Robert Morse, Tammy Grimes, and Jerry Orbach brought Champion's creative vision to life. Working with composers and writers like Jerry Herman, Michael Stewart, Charles Strouse, Lee Adams, and Bob Merrill, he streamlined the musical making it flow effortlessly with song and dance from start to finish. John Gilvey has spoken with many of the people who worked with Champion, and in *Before the Parade Passes By* he tells the life story of this most American of Broadway musical director-choreographers from his early days dancing with Marge to his final days spent meticulously honing the visual magic of *42nd Street*. *Before the Parade Passes By* is the life story of one man who personified the glory of the Broadway musical right up until the moment of his untimely death. When the curtain fell to thunderous applause on the opening night of *42nd Street*, August 25, 1980, legendary impresario David Merrick came forward, silenced the audience, and announced that Champion had died that morning. As eminent theatre critic Ethan Mordden has firmly put it, "the Golden Age was over." Though the Golden Age of the Broadway musical is over, John Gilvey brings it to life again by telling the story of Gower Champion, one of its most passionate and creative legends.

The Sound of Music FAQ**All That's Left to Know About Maria, the von Trapps, and Our Favorite Things** *Hal Leonard Corporation*

(FAQ). The Sound of Music FAQ is a comprehensive, encyclopedia-like reference to the world's most popular movie

musical. Rather than focusing on the often-told stories of this classic movie, this book looks at the 1965 Oscar-winner in relation to its source, including the true von Trapp family story and the Broadway musical from which it was derived. The Sound of Music FAQ explores such facts and trivia as the movie's phenomenal original run in cinemas, during which it dominated the box office for a staggering amount of time and became the highest grossing movie of the 1960s and of all time; its long and varied life on home video and primetime television; the bestselling soundtrack and many other related recordings; information behind the stunning Austrian locations; the critical feedback; the many stage revivals; and the continuing references, homages, reunions, and tributes related to it over the many decades since its release.

In addition, the extensive glossary of more than 600 terms and phrases had been extend to well over 700, providing and excellent professional vocabulary for anyone hoping to be a theatre stage manager or already working in the field.

The Great Parade

Broadway's Astonishing, Never-to-Be-Forgotten 1963-1964 Season *Macmillan*

It was the Broadway season when Barbra Streisand demanded "Don't Rain on My Parade" and Carol Channing heard the waiters at the Harmonia Gardens say "Hello, Dolly!". From June 1, 1963 through the final day of May 31, 1964, theatergoers were offered 68 different productions: 24 new plays, 15 new comedies, 14 new musicals, 5 revivals of plays, 3 revues, 3 plays in Yiddish, 2 in French, 1 double-bill and even 1 puppet show. Peter Filichia's *The Great Parade* will look at what a Broadway season looked like a half-century ago analyzing the hits, the flops, the trends, the surprises, the disappointments, the stars and even how the assassination of JFK and the arrival of the Beatles affected Broadway. *The Great Parade* is a chronicle of a Broadway season unprecedented in the star power onstage: Barbara Streisand, Carol Channing, Claudette Colbert. Colleen Dewhurst, Hal Holbrook, Mary Martin, Christopher Plummer, Robert Preston, Julie Harris, Jason Robards, Jr., Carol Burnett, Tallulah Bankhead, Alec Guinness, Kirk Douglas, Albert Finney, Paul Newman, Joanne Woodward, Richard Burton, Mary Martin, Beatrice Lillie, Hermione Gingold, Robert Redford and many more. Neil Simon and Stephen Sondheim burst on to the Broadway stage with *Barefoot in the Park* and *Anyone Can Whistle*. The '63-'64 season was one of Broadway's greatest and in *The Great Parade*, Peter Filichia gives us another classic.

Dancing on the Ceiling

Stanley Donen and his Moves *Knopf*

The first book to explore the life and extraordinary work of the legendary moviemaker who directed *Singin' in the Rain*, *On the Town*, and *Funny Face*, from the author of David Lean ("Silverman has captured one of the world's truly great filmmakers"—Billy Wilder). Stanley Donen is the man who forever changed the Hollywood musical, moving it away from the Busby Berkeley extravagance to a felt integration of the songs and dances. He is also the man who helped shape the sophisticated romance exemplified by *Indiscreet* and *Charade*. The author, with Donen's cooperation, has brilliantly revealed Donen's fifty-year career—first in the theater, next in Hollywood, and then abroad. We see Donen's collaborations with Fred Astaire, Cary Grant, Gene Kelly, and Frank Sinatra. And we see his work with Rodgers and Hart, Alan Lerner, Comden and Green, Roger Edens, Arthur Freed, Michael Kidd, and Bob Fosse. We watch Donen growing up in the South in the 1930s, seeking refuge at movies, watching Fred Astaire dance on the screen, and forever changed by it. And then at sixteen, fleeing to New York, where he lands his first job in the chorus of the groundbreaking musical *Pal Joey*, directed by George Abbott, starring Gene Kelly...and appearing next in *Best Foot Forward*. We follow Donen west to MGM (first he was a chorus boy, then assistant choreographer)...next embellishing *Anchors Aweigh*, dreaming up the almost technically impossible notion of having its star, Gene Kelly, dance with a cartoon character, Jerry the Mouse...and in the next decade making one great musical after another. We hear Donen's recollections of life and work on the sets of *Singin' in the Rain*, *Royal Wedding*, *Funny Face*, *Seven Brides for Seven Brothers*, *On the Town*, *The Pajama Game*, *Indiscreet*, *Charade*, *Two for the Road*, *Arabesque*, *Bedazzled*, and other movies he directed. We see him through the eyes of more than one hundred of his contemporaries whom, in addition to Donen himself, Silverman has interviewed at length, from Kay Thompson and Billy Wilder to Deborah Kerr, Audrey Hepburn, Debbie Reynolds, Gregory Peck, and Cyd Charisse. *Dancing on the Ceiling* gives, close up, a great director and a lost Hollywood on whose silver screen wit and charm abounded.

Music in the 20th Century (3 Vol Set) *Routledge*

This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons, the immediate post-Hiroshima/Nagasaki period and the Korean War. It also provides an account of US actions and attitudes during this period and China's response.

The Routledge Guide to Broadway *Taylor & Francis*

The Routledge Guide to Broadway is the second title in our new student reference series. It will introduce the student to the Broadway theater, focusing on key performers, writers, directors, plays, and musicals, along with the theaters themselves, key awards, and the folklore of Broadway. Broadway is the center of American theater, where all the great plays and musicals make their mark. Students across the country in theater history, performance, and direction/production look to Broadway for their inspiration. While there are illustrated coffee table type books on Broadway, there are few that offer a comprehensive look at the key figures and productions of the last two centuries. The Routledge Guide to Broadway offers this information in an easy-to-use, inexpensive format that will appeal to students, professors, and theatrical professionals.

Broadway Musicals

A Hundred Year History *McFarland*

Musicals have been a major part of American theater for many years, and nowhere have they been more loved and celebrated than Broadway, the theater capital of the world. The music of such composers as Rodgers and Hammerstein, Berlin, the Gershwin brothers, Lerner and Loewe, Steven Sondheim, and Andrew Lloyd Webber continues to run through people's minds, and such productions as South Pacific, Cats, My Fair Lady, The Phantom of the Opera, Guys and Dolls, Rent, and West Side Story remain at the top of Broadway's most popular productions. This book is a survey of Broadway musicals all through the 20th century, from the Tin Pan Alley-driven comedy works of the early part of the century, to the integrated musical plays that flourished in the heyday years of midcentury, and to the rock era, concept musicals, and the arrival of British mega-musicals late in the century. It also profiles some of the theater world's leading composers, writers, and directors, considers some of the most unforgettable and forgettable shows, illustrates the elusive fragility of the libretto, explains the compensating nature of production elements, and examines representative shows from every decade. An extensive discography offers a brief critique of more than 300 show cast albums.

Harold Prince

A Director's Journey *Hal Leonard Corporation*

The Great White Way

Race and the Broadway Musical *Rutgers University Press*

Broadway musicals are one of America's most beloved art forms and play to millions of people each year. But what do these shows, which are often thought to be just frothy entertainment, really have to say about our country and who we are as a nation? Now in a new second edition, *The Great White Way* is the first book to reveal the racial politics, content, and subtexts that have haunted musicals for almost one hundred years from *Show Boat* (1927) to *Hamilton* (2015). This revised edition includes a new introduction and conclusion, updated chapters, as well as a brand-new chapter that looks at the blockbuster musicals *The Book of Mormon* and *Hamilton*. Musical mirror their time periods and reflect the political and social issues of their day. Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level, allowing them to simultaneously present and hide their racial agendas in plain view of their audiences. While the musical is informed by the cultural contributions of African Americans and Jewish immigrants, Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States. Presented chronologically, *The Great White Way* shows how perceptions of race altered over time and how musicals dealt with those changes. Hoffman focuses first on shows leading up to and comprising the Golden Age of Broadway (1927–1960s), then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century. He offers entirely new and surprising takes on shows from the American musical canon—*Show Boat* (1927), *Oklahoma!* (1943), *Annie Get Your Gun* (1946), *The Music Man* (1957), *West Side Story* (1957), *A Chorus Line* (1975), and *42nd Street* (1980), among others. In addition to a new chapter on *Hamilton* and *The Book of Mormon*, this revised edition brings *The Great White Way* fully into the twenty-first century with an examination of jukebox musicals and the role of off-Broadway and regional theaters in the development of the American musical. New archival research on the creators who produced and wrote these shows, including Leonard Bernstein, Jerome Robbins, Stephen Sondheim, and Edward Kleban, will have theater fans and scholars rethinking forever how they view this popular American entertainment.

A Taste of Broadway

Food in Musical Theater *Rowman & Littlefield*

Beyond being just fuel for the body, food carries symbolic importance used to define individuals, situations, and places, making it an ideal communication tool. In musical theater, food can be used as a shortcut to tell the audience more about a setting, character, or situation. Because everyone relates to eating, food can also be used to evoke empathy, amusement, or shock from the audience. In some cases, food is central to show's plot. This book looks at popular musical theater shows to examine which foods are used, how they are used, why they are important, and how the food or usage relates to the broader world. Included are recipes for many of the foods that are

significant in the shows discussed.

A History of the American Musical Theatre

No Business Like It *Routledge*

From the diverse proto-theatres of the mid-1800s, though the revues of the '20s, the 'true musicals' of the '40s, the politicisation of the '60s and the 'mega-musicals' of the '80s, every era in American musical theatre reflected a unique set of socio-cultural factors. Nathan Hurwitz uses these factors to explain the output of each decade in turn, showing how the most popular productions spoke directly to the audiences of the time. He explores the function of musical theatre as commerce, tying each big success to the social and economic realities in which it flourished. This study spans from the earliest spectacles and minstrel shows to contemporary musicals such as Avenue Q and Spiderman. It traces the trends of this most commercial of art forms from the perspective of its audiences, explaining how staying in touch with writers and producers strove to stay in touch with these changing moods. Each chapter deals with a specific decade, introducing the main players, the key productions and the major developments in musical theatre during that period.

Changed for Good

A Feminist History of the Broadway Musical *Oxford University Press*

From Adelaide in "Guys and Dolls" to Nina in "In the Heights" and Elphaba in "Wicked," female characters in Broadway musicals have belted and crooned their way into the American psyche. In this lively book, Stacy Wolf illuminates the women of American musical theatre--performers, creators, and characters--from the start of the Cold War to the present day, creating a new, feminist history of the genre. The musicals discussed here are among the most beloved in the canon--"West Side Story," "Cabaret," "A Chorus Line," "Phantom of the Opera," and many others--with special emphasis on the blockbuster "Wicked." Along the way, Wolf demonstrates how the musical since the mid-1940s has actually been dominated by women--women onstage, women in the wings, and women offstage as spectators and fans.

Off Broadway Musicals, 1910-2007

Casts, Credits, Songs, Critical Reception and Performance Data of More Than 1,800 Shows *McFarland*

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses

more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

The Musical from the Inside Out *Ivan R. Dee*

Rarely is a book about the theatre as entertaining and informative as Stephen Citron's new guidebook to the creation of the musical. Filled with anecdotes, practical advice, and sparkling comments from the biggest Broadway insiders, The Musical from the Inside Out examines this major theatrical form from the creator's point of view. Mr. Citron takes the reader through basic training and onto finding and securing material, writing the libretto, adding the songs, auditioning the players, workshoping, rehearsals, previews, and the excitement of opening night. He reveals the secrets of success as well as some of the common pitfalls of failure. "There's never been a book like this," wrote a columnist from London's West End. Mr. Citron's bounty of information comes from his own vast experience; from interviews with well-known directors, producers, lyricists, composers, librettists, stage managers, and scenic artists; and from such luminaries as Stephen Sondheim, Andrew Lloyd Webber, Jerry Herman, Hal Prince, Jerome Robbins, Jerry Bock, Sheldon Harnick, John Kander, and Fred Ebb. The Musical From the Inside Out is an adventure for musical fans and required reading for professionals or amateurs involved in creating a musical.

Broadway in the Box

Television's Lasting Love Affair with the Musical *Oxford University Press*

It was as if American television audiences discovered the musical in the early 21st century. In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming, awkward teens, and powerful voices spontaneously bursting into song. After raking in the highest rating for a new show in the 2009-2010 season, Glee would continue to cultivate rabid fans, tie-in soundtracks and merchandising, and a spinoff reality competition show until its conclusion in 2015. Alongside Glee, NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions. Then came ABC's comedic fantasy musical series Galavant and the CW's surprise Golden Globe darling Crazy Ex-Girlfriend. Television and the musical appeared to be a perfect match. But, as author Kelly Kessler illustrates, television had at that point been carrying on a sixty-year, symbiotic love affair with the musical. From Rodgers and Hammerstein's appearance on the first Toast of the Town telecast and Mary Martin's iconic Peter Pan airings to Barbra Streisand's 1960s CBS specials, The Carol Burnett Show, Cop Rock, Great Performances, and a string of one-off musical episodes of sitcoms, nighttime soaps, fantasy shows, and soap operas, television has always embraced the musical. Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American

culture and changing television, film, and theatrical landscapes. She recounts and explores this rich, decades-long history by traversing musicals, stars, and sounds from film, Broadway, and Las Vegas to the small screen.

Musical Theatre

A History *Bloomsbury Publishing USA*

This is a comprehensive history of stage musicals from the 1840s all the way up to Andrew Lloyd Webber and Broadway as it we know it today. Wide-ranging in content, it covers Europe, the UK, and North American traditions and developments.

The Complete Book of 1980s Broadway Musicals *Rowman & Littlefield*

For Broadway audiences of the 1980s, the decade was perhaps most notable for the so-called "British invasion." While concept musicals such as *Nine* and Stephen Sondheim's *Sunday in the Park with George* continued to be produced, several London hits came to New York. In addition to shows like *Chess*, *Me and My Girl*, and *Les Misérables*, the decade's most successful composer Andrew Lloyd Webber was also well represented by *Cats*, *The Phantom of the Opera*, *Song & Dance*, and *Starlight Express*. There were also many revivals (such as *Show Boat* and *Gypsy*), surprise hits (*The Pirates of Penzance*), huge hits (*42nd Street*), and notorious flops (*Into the Light*, *Carrie*, and *Annie 2: Miss Hannigan's Revenge*). In *The Complete Book of 1980s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1980s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sid Caesar, Barry Manilow, Jackie Mason, and Shirley MacLaine. Each entry includes the following information Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors Musical numbers and the names of performers who introduced the songs Production data, including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

Open a New Window

The Broadway Musical in the 1960s *St. Martin's Press*

In the 1960s, the Broadway musical was revolutionized from an entertainment characterized by sentimental standards, such as *Camelot* and *Hello, Dolly!*, to one of brilliant and bittersweet masterpieces, such as *Cabaret* and *Fiddler on the Roof*. In *Open a New Window*, Ethan Mordden continues his history of the Broadway musical with the decade that bridged the gap between the romantic, fanciful entertainments of the fifties, such as *Call Me*, *Madam*, to the seventies when sophisticated fare, such as *A Little Night Music* and *Follies*, was commonplace. Here in brilliant detail is the decade and the people that forever transformed the Broadway musical.

Ballroom *Samuel French, Inc.*

The delightfully humane and moving Broadway production was developed by Tony Award-winning director Michael Bennett co-creator of *A Chorus Line*. Based on the CBS television movie *The Queen of the Stardust Ballroom* which starred Maureen Stapleton as aging widow Bea Asher who, having lost her beloved Morrie, begins life anew at the Stardust Ballroom, an old school Brooklyn dance palace. There she meets middle-aged mailman Al and falls in love again. He's married. Bea's children and friends advise her against starting up a romance with a married man who refuses to leave his wife but Bea, having found a new life and love decides that 'fifty percent' of someone you love is better than 'all of anybody else'.

Broadway Plays and Musicals

Descriptions and Essential Facts of More Than 14,000 Shows through 2007 *McFarland*

New York City’s Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American

theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway’s history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.
