Sense and Stigma in the Gospels: Depictions of sensory ...

Drawing on interdisciplinary perspectives from sensory anthropology and disability studies, it presents 'sensory-disabled' characters in a new light by refiguring them as individuals capable of employing strategies to destabilise the stigma imposed upon them and as tactical performers who can subversively achieve their social goals.

Introduction: Sense and Stigma - Oxford Scholarship

Self-stigma is created

when people who have been labeled as “mentally ill” internalize the experience of stigma, experiencing low self-esteem and low levels of self-efficacy. 4 By internalizing stigma into self-stigma, one adopts the opinions and attitudes of his or her social surroundings, which negatively effects their self-esteem and quality of life. 5 This process of internalization shows that people are very much affected by the views and attitudes of others. How we

construe our ...

Mortification of the Self: The Impact of Stigma on ...

“That also impacted the stigma reduction,” he said. According to the survey, all the respondents (over 900) said that stigma and discrimination in health services was very low. However, Remera noted that there are some areas to improve for instance where stigma is fuelled by some other factors like age (for instance adolescents may face more stigma); and lifestyle for example, for people ...
