Characterization In The Most Dangerous Game - eNotes.com

Direct characterization occurs when the author or narrator directly describes the traits of a character. For instance, a narrator may describe a character's age, height, and goals to the reader. Indirect characterization occurs when a character's traits are revealed through their actions, dialogue, and interactions with other characters.

Characterization | Direct and Indirect Characterization

Direct characterization is also sometimes called "explicit characterization." Indirect Characterization. In indirect characterization, rather than explicitly describe a character's qualities, an author shows the character as he or she moves through the world, allowing the reader to infer the character's qualities from his or her behavior. Details that might contribute to the indirect characterization of a character are:

Characterization - Definition and Examples | LitCharts

Direct characterization is the process by which an author tells the reader something about a character's specific traits. In this case, the writer simply tells the reader what he or she wants the reader to know. Direct characterization is in contrast to indirect characterization, the latter being a process by which the author reveals information through the thoughts, words, or actions of the character.

What Is Direct Characterization? (with pictures)

Characterization is revealed through direct characterization and indirect characterization. Direct Characterization tells the audience what the personality of the character is. Example: "The patient boy and quiet girl were both well mannered and did not disobey their mother."

Defining Characterization - ReadWriteThink

Indirect Characterization Indirect characterization puts the reader in charge of deriving important information about a character through inferences in dialogue, actions, and reactions of that character and others in a story. Indirect characterization helps point the reader towards the question of why characters do certain things in a story.
