Commercialization of Health Care: Global and Local ...

This book analyzes the expanding global and local commercialization of health care. It argues for the necessity and possibility of effective policy responses to develop good quality,

universally inclusive health systems worldwide. The book aims to encourage a more humane, inclusive, egalitarian, and ethical framework for policy formulation.

Commercialization of Health Care: Global and Local ...

Commercialization is definitely bad in health care as well as Education sector since it means to compromise with quality, services etc. For profit making. Since the main reason for this is privatization, I am strongly against privatization of such sectors providing with these important services to the citizens of a country.

Commercialization of health care : Good or Bad ? ~ Group ...

The United Nations Research Institute for Social Development (UNRISD) research on global and local experiences of health care commercialization challenges this framework. It calls for reclaiming public policies that promote the purposes that health systems are set up to serve: population health and the provision of care for all according to need.
