Guided Practice Activities Teachers Guide

Definition: Guided practice is a teaching practice pioneered by Barbara Rogoff. It involves three steps for practicing new skills in the classroom. First, the teacher models how to do a task to the student. Second, the student does the task with guidance from the teacher.

Guided Practice (I do We do You do): Examples & Definition

Guided practice is defined as scaffolded independent practice that occurs before minimally-assisted independent practice. During guided practice, the teacher empowers students to practice skills on their own for the first time, giving concrete, actionable feedback to everyone and additional focused attention to specific learners that need it.
