The NP12 and NP32 Keyboards are designed to bring you a more realistic piano playing experience, and doesn't focus as much on the amount of voices, styles etc. Available in both 61 and 76 note versions, these Keyboards are very lightweight and smart, and are the first to have slightly weighted keys. They don't have half as many different 'gadgets' on them as the other two I've mentioned, but if you are just wanting a pure piano sound, these may be more up your street.
